## DEDICATION

This book is dedicated to increasing the level of Peace and  
WorldPeace in the world human society.

Increasing the peace is a possible dream.

When peace becomes our priority,  
WorldPeace will become our reality.

- Dr John WorldPeace JD

WorldPeace is a journey,  
not a destination.

- Dr John WorldPeace JD

This is our cry,  
This is our prayer  
Peace in the World

## WorldPeace Peace Prayer

Lord make me an instrument of your peace  
where there is hatred let me sow love  
where there is injury  
pardon  
where there is doubt  
faith  
where there is despair  
hope  
where there is darkness  
light  
where there is sadness  
joy

O Divine Master grant that I may  
not so much seek to be consoled  
as to console  
to be understood  
as to understand  
to be loved  
as to love

for it is in giving  
that we receive  
it is in pardoning  
that we are pardoned  
and it is in dying  
after a worthy life of service  
we return to our infinite immortal heaven

## ACKNOWLEDGMENT

### JESUS CHRIST

I am a Spiritual follower of Jesus, not a Corporate Bureaucratic Christian. I believe in the Resurrection. I believe in the following words of Jesus because I believe in Jeremiah 31: 33-34 in the Old Testament and repeated in the New Testament Hebrews 8:10-11.

This is the covenant the Lord God has made:

*I will put my laws into every human mind, and I will write them on their hearts. I will be their God and they will be my people. And no one will presume to teach any human being saying, 'Know ye Lord'. For all will know me from the least to the greatest of them. And I will be merciful to their iniquities, and I will remember their sins no more.*

Jesus said:

*"Ask, and it will be given you, seek and you will find, knock and it will be opened to you. For everyone who asks receives, he who seeks finds and to those who knock it will be opened." Mt 7:7*

*"If you have the faith the size of a mustard seed, you will say to the mountain move and it will move. Nothing will be impossible for you." Mat 17:20.*

*"Truly, truly I say to you, if you believe in me you will do the works I do and greater works will you do because I go to the Father. Whatever you ask in my name I will do it for the greater glory of the Father through the son. Whatever you ask in my name I will do it" Jn 14:12 |*

We write our individual and group script in life and then live it.

The Book of Revelation in the Christian New Testament is a false book of a doom and gloom future set in stone and I reject it because it is contrary to the teaching of Jesus above and because in my day to day life I am a witness to the truth of the above scripture. We are presently living the beliefs and actions of the world human society in the past about the future. Dr Jwp JD 190829

The Flower of Life

## NOTES: Dr. John WorldPeace JD

I was born a white male in 1948, in Houston, Texas. Since September 2011, have lived in Albuquerque, New Mexico

In October 1970, I wrote my first poem. Since then, I have written about 6,000 poems. Mostly in free verse, unmetred and un-rhyming and in my personal genre: Free verse Haiku. Most of my poems could be looked at as a supplement to my prose autobiography; poetic snap-shots of what I was thinking or experiencing at a particular moment in time during my life in this earth dreamscape. In the beginning, I recorded the year of poems, then the year/month/day, then year/month/day/time.

I have also published selections of my poems. In June 2018, I began to self-publish all the poems I have ever written to date in chronological order using Amazon's self-publishing software. There are over 70 poem books as of September 2021. I have been adding about 1500 poems a year since 2019, with new poems being published each month.

My genetics and my current state of health make me confident, barring some accident, that I will live more than a few years past 100. I will continue to write poems and in fact, will probably increase the annual volume of poems I write over the rest of my life.

I do not force my poems. I don't channel these poems unless I feel inspired. I have no desire to set a world record for the number of poems written in a lifetime.

All my poems have a spiritual connect and I say that I channel them from the spiritual dimension as opposed to writing them. The poems are written in a couple of minutes, 2-10, then put away in a binder in chronological order. I have lost less than a dozen poems since 1970 when I began channeling them. Usually within a very few minutes after channeling a poem, I have no real memory of what I wrote. The edits I make after channeling a poem are minimal. Images of the original cursive of many poems are online: <https://DrJohnWorldPeaceJDPoetry.com>. All but maybe 50 of my poems have been recorded in my handwriting.

I do not channel poems that rhyme except incidentally. For me to try to force fit a poetic thought into a rhyming format or any format breaks the flow of the poem; more specifically, crashes the poem.

I have, and it seems natural, significantly refined a method channeling poems. I am in truth a filter. A poetic thought that comes to me is skewed in the interpretation and recording by my personal filters; physical and spiritual (not religious doctrine and dogma dictates). The same poetic thought channeled by someone else would be skewed by his or her personal filters.

### **Zen Petals**

I am not a religionist of any stripe. I believe in the teachings of Jesus but not in corporate Christianity. Zen for me is a generic metaphysical word. Petals in my poetry are a metaphor for mostly very short free verse poems.

I keep two steno pads together for writing poetry. One for my standard free verse poems and the other for the shortest of poems. Sometimes I will take a line out of one of my poems and enter it in my Zen Petal steno pad. I am most impressed by poets who can in the course of writing or recording a poem have within it a free standing shorter poetic expression.

Poems are never finished until the poet dies.

It is my hope that various publishers will decide to go through my poems and publish a selection of about 100. If that were done, it is unlikely, due to the variety of what I have channeled, that any two selections would be even close to being the same. What I have channeled is a metaphysical enigma matrix of poetry.

## INTRODUCTION

Come one and all  
and listen to my poem  
about a war as it unfolds  
  
and about my living with it  
that war far away  
in Ukraine the innocent  
  
and the dogs of war of  
the miscreant race of Russians  
and their Rabid Murderous Dictator  
would be king

I am reading about this war  
on the internet  
and watching it unfold  
in living color  
hour by hour  
on the internet as well

I am 74  
and I can see what I would see  
if I were there but without the  
sounds and smell  
of stinking bloating  
dead bodies  
who a month ago were  
alive and well  
but not just nameless  
corpses strewn everywhere  
to bury them is to join them

So no let them lay there  
just an anomaly  
that was not

there a month ago

Grave diggers everywhere

“I hope they get  
reburied at some future time.”  
says one of the  
diggers

I am Dr John WorldPeace JD  
33 years since I changed  
my birth name  
my parents  
wrote on all my papers

I have been writing poetry  
for 53 years  
thousands of them  
but that is no real claim to fame  
but it is a refined  
style that comes  
only from lots  
of poems over lots of years

Yet I am reading about  
and viewing that insane war  
coming from that  
battle ground of two prior  
World Wars

Some say this is already  
World War III  
the front end  
not bloody  
enough yet  
for the majority to  
accept embrace

that reality

So I am applying  
my poetic skills  
to this narrative about  
this Russian war

Let me say  
that this is not a scholarly  
dissertation about  
what is really  
factually happening

It is just my impressions  
daily written down  
sometimes as facts  
but more so as  
my opinion  
my commentary  
about the facts

I am not a professor poet  
one trick pony

I have degrees in political science  
accounting and law

I was self employed in them all  
and also insurance, web design, and art

But the bookends of all of that  
and more is my WorldPeace Advocacy  
officially since 1988.

The level of peace  
in the world human society

is controlled by governments,  
politics, religions,  
courts of law, global corporations, social media,  
universities, economics

I have formal training in most of these  
and self-training in others  
and I have direct experiences in all  
as well as indirect experiences

and I had a family,  
in name only now

but I can relate to dead children  
on a battle ground

I also paint, and I write about spirituality,  
and read about corporate religions

I am not a one trick pony  
I am a high IQ high energy polymath  
so what I am writing  
is filtered through all my  
knowledge and experience

Professor poets and other poets  
come from narrow backgrounds  
one or two trick ponies are they

None has ever attempted  
what I am recording in this  
Epic poem  
written in the moment  
as it unfolds

I have not novels known end  
I have no idea how it ends

I am just writing about  
how it comes to  
whatever end

I have a logical linear  
factual auto biography  
but my art and poetry  
impact emotionally  
on those facts

Read my poetry and look at my art  
and note the dates  
and go to my autobiography  
and you will experience  
something that  
no one else has ever done

History is written  
after the fact  
History written and taught  
is not thought of as  
what happened yesterday  
but what happened long ago  
such that conclusions can be  
agreed and not  
agreed about

I am free to project the future  
as I write about the present  
a hundred years from now  
the historical past will be known  
so there is no aspect of  
asking how is this  
event going to roll out

I am a poet without peers  
I write several kinds of poetry  
and channel other poetry

What I have written  
is what I am living  
I am writing it  
because it is what I do  
not because someone wrote  
or guaranteed me a check

All poets are unique  
but I am more unique than  
all the rest being a polymath  
and I was born a poet  
I was not schooled as one  
and given a certificate  
for joining some poetic  
university herd

I am a poet with a 24/7  
passion for writing poetry  
and one who has made a habit  
of writing when inspired

One who is passionate every moment  
always looking for something  
to write about

This war is a big event  
~ unlike the last World War  
I was not present at the start

I have read about those world wars  
and the American civil war  
and I was a drafted soldier  
in this life  
so I have training  
to compare to the roll out  
of this war

Dr John WorldPeace JD complete poems 2021 June

If you have not served  
your country  
you don't get  
the words related  
to real war

I know what it is like  
to saddle up  
with my personal tools  
of death delivery

So my epic poem  
written in the moment  
as it unfolds  
is more dynamic  
than the ramblings  
of undeveloped  
minds

I am one of a kind  
I have no peers  
in writing an epic  
poem like this

Dr John WorldPeace JD

THE RUSSIAN-UKRAINE WAR BEGINS

The world human society  
stands at the shoreline  
of the great and mighty  
global rivers  
~ the oceans

On the horizon  
of all those mighty rivers  
the sun is about to rise  
upon the greatest day  
since the first humans  
appeared and began to populate  
and war for  
their hunting grounds upon  
the earth

A rabid Russian mongrel dog  
Vladimir Putin  
has begun without provocation  
a war against  
a peaceful Ukraine

Putin, the rabid murderous dog  
the one committing  
unprovoked murder  
in the world human society  
of nations

All Russians owns  
his insatiable  
lust for more money  
more power  
more human bloodletting  
in peaceful Ukraine  
~ following his own holocaust example  
in Aleppo and Grozny

Yes the citizens of Russia  
in their intent  
or within their apathy  
have allowed this  
demented miscreant Putin  
to baptize all Russians  
in Ukraine spilled  
war crimes blood

The world human society  
consists of predatory  
hate filled Russians  
against peaceful Ukrainians

The Chinese murdered 1.2 million Tibetans,  
600,000 monks,  
destroyed almost all  
the 6,000 monasteries  
tried to destroy their culture.

Hindus Indians against Muslim Indians

Zionist murdering Palestinians  
have created a concentration camp in  
Gaza and 53 refugee camps in the Middle East  
with 5 million inhabitants  
since the end of WWII  
in their ethnic cleansing of Palestine  
and their apartheid nation

Myanmar Buddhists  
against Myanmar Muslims

White Christian Americans  
enslaved Black Americans

and exterminated  
American Indians

Christians against  
the entire non-Christian  
world human society

Yes

Putin is a blood thirsty  
rabid mongrel dog  
but he is not alone  
in this role  
in the world human society

That said

What Putin has begun  
is not just a war  
man to men and women and children  
women to women and men and children

He has begun an  
awakening in the  
world human society  
where the global economics  
are so interwoven  
interconnected  
that no nation can  
defy a determined

Boycot Divestiture Sanction  
to stop merciless wars

A Boycot Divestiture Sanction assault  
by sane and peace loving human beings  
arrayed against all rabid mongrel dogs  
that are the individual leaders of  
demented societies and nations

in the world human society  
can end the wars of  
the world human society  
to a point  
of termination  
with an economic  
interdependence  
that is growing within

Boycotts Divestitures Sanctions  
can throttle any nation  
in the world human society

The economic repercussions  
have been evidenced by  
the human coronavirus  
that began in China  
in 2019

The USA and the European collective of  
Europeans nations united in NATO  
have initiated monetary sanctions  
against Russia but all the  
dominos of

Boycott Divestiture and Sanctions

must now fall upon the  
heads of all Russians  
and to take Russians  
to a complete and total  
chaos of their nations  
and their dissolution  
if necessary  
~ maybe even eradication  
erasures

The immediate future

of the world human society of nations  
cutting off treachery  
cutting off buying from  
or selling to rabid mongrel dogs  
Russians of whatever stripe

Cancelling and prohibiting  
all travel to and from these  
rabid mongrel nations  
closing air space

The closing and potential seizing  
of all bank accounts  
of these rogue nations  
and their citizens and  
corporations and  
governmental entities  
and oligarchs

The Boycot Divestiture Sanction of all  
stocks and bonds and financing  
instruments of commerce  
within the rogue rabid nations

The end of  
Russians and other nations of  
the same rabid mongrel stripe

participation in any gathering  
of these nations large or small

No Olympic participation  
and ejection from the United Nations

No shared technology  
No connection to the international  
communications network on any level

No American movies and music

Prohibit investment in any aspect  
of the peaceful nations of the world

The time has come to disband  
the castrated and manipulated  
United Nations

to be replaced

by a more sane, democratic  
just and full inclusion  
of all nations in a  
21<sup>st</sup> century  
Third Millennium  
Global League of Nations

Prohibitions and expulsion  
from global trade agreements  
large and small

I am talking about  
a world human society  
economic war  
without a shot fired  
no armaments  
of any kind  
no weapons of mass  
destruction

An immediate disconnect  
from any nation encroaching on the  
rights of any other nations

Boycott Divestiture and Sanctions

The pain and suffering of economics

of the good and bad  
    due to violent rabid mongrel dog  
        actions  
do not hold a candle  
    to the revolting bloodletting  
        between nations  
in the 20<sup>th</sup> century

Yes! I am talking about  
    self-imposed deprivation of just nations  
        to choke off sociopath nations  
with psychopathic leaders

Choking off these venomous snakes and  
    rabid mongrel dogs  
        who have chosen  
to kill innocent men, women  
    and children  
        for power  
and control

I am talking about  
    the starvation of evil human seed

in particular  
    at the present time  
        February 2022  
the Russian murderers in Ukraine  
    as long as one Russian soldier  
        remains in the Ukraine

The Russians must leave  
    without their weapons  
        from rifles to  
artillery to rockets to drones

        they must walk out  
unarmed in humiliation

of having lost their war on peace

Boycott Divestiture Sanctions

the global shunning of murderous  
citizens of rogue nations  
to the max

The sane and just world human society  
must raise the flag of peace and justice  
for the crimes against humanity  
that is the unjust murder  
of one single human being  
in a foreign nation

The current Boycotts Divestures Sanctions  
must propagate from and among  
all sane and just nations  
and increase in magnitude  
and into all areas of interaction  
within the world human society  
until rogue nations see the  
closing darkness  
that will become  
the total annihilation  
of the cancer of rabid mongrel dog  
nations and alliances  
between these nations

So the sane, nonviolent nations of the  
world human society  
must proceed with  
every possible  
attention getting deterrents  
applied to these criminal nations  
until they return to  
the dictates of Peace and  
WorldPeace

Dr John WorldPeace JD complete poems 2021 June

through World Law  
and Order

So now

as in the immediately now  
all law abiding and peaceful nations  
must decide and commit  
to join a New World Order  
of a New League of Nations  
or go down with the Russians  
and their Hitler cancerous evil

Boycott Divestiture Sanctions

weapons are the clear future vision  
brought into the world human society  
with the Chinese coronavirus  
and its attack on law and order  
and normalcy and peace  
in the world human society

WorldPeace through World Law  
maintained resolutely by an  
awakened world human society  
in a new more sane and just  
New World Order

Boycott Divestiture Sanctions

will be the global choke chain  
on war mongers  
that began with the unprovoked  
war of the Russians  
on their peaceful neighbor  
the Ukrainians

We will put an end  
to local and world wars

by severe

Boycott Divestiture Sanctions

if not total annihilation  
of rabid killer nations  
of demented  
populations  
and their  
psychopathic leaders

Looking down the road  
to this transformation  
of the world human society  
and the world human society  
of nations

Any nation that  
resorts to the use of nuclear weapons  
of mass destruction  
will dictate the immediate  
annihilation of that nation  
and the infliction of maximum pain  
and termination of their  
evil seed in the  
world human society

We have seen  
the progeny of two World Wars  
and local wars in the 20<sup>th</sup> century

We know where that path leads  
the end of a human presence on  
the good earth

Annihilation of societies  
imposed by other nations  
is justified for evil rabid mongrel dog

nations

We have seen with Hitler  
where pacifism leads

We have seen with Hitler  
and now with Putin  
that they have no  
concern about lying as to  
their intentions.

Putin is a liar  
and I do not know how he  
can resurrect his credibility  
He followed his lies  
with his denied invasion of  
the Ukraine

For the sake of our children  
and the progeny of the world human society  
we must carve out the demonic  
cancer that presently exists in Russia  
and if that is not  
successful  
full and complete termination  
is the only resolution

WorldPeace is at the door  
of the world human society  
and it is a peace brought  
about by

Boycotts Divestiture and Sanctions

not the sacrifice of soldiers  
on battlefields  
not the sacrifice of our children

Every citizen of the world  
    whoever is against the war mongering  
        Russians  
    and their psychopathic leader  
        must now do what is in their  
    individual power to stop the Russians

If you can hack the Russians  
    if you can cut food deliveries to Russia  
        if you can rally in protest  
    refuse to buy Russian products

    sell your Russians stocks

    remove Russians from your country

    No Russian dogs allowed

    refuse to visit Russia  
        the list is endless what  
    individuals can do

And 7 billion peace loving humans  
    can stop 144 million Russians

I am talking about a global army  
    of every human being  
        taking a stand

Have no doubt with aggressive organization  
    against the Russians  
        we can show them their future  
    and get their minds back on track  
        to peace and prosperity  
        within a week.

America and NATO are moving too slow  
    with

Dr John WorldPeace JD complete poems 2021 June

Boycotting Divestitures and Sanctions

the pace of push back must increase  
and intensify  
immediately

We need to immediately move beyond  
an eye for an eye  
and a tooth for a tooth  
to individual termination for an eye  
and annihilation of Russia for a tooth

I am the only global advocate for  
Peace and WorldPeace

But I am not a pacifist.  
if you kill innocent peaceful  
people

I am ready to work to kill your cancer

But I believe that

Boycotts Divestiture and Sanctions

are the peaceful path to the transformation  
of a rogue rabid murderous nation

If that does not work  
I will without reluctance engage  
the Russians on the  
field of battle  
bring their entire country  
and bring their end  
by hellfire and damnation

A word to the wise is sufficient  
If all nations join America and NATO

Dr John WorldPeace JD complete poems 2021 June

in an increasing

Boycott, Divestiture Sanctions

of Russia the sooner the Russians  
will see the light and terminate  
the evil they let loose and  
followed into evil

Lastly, Donald Trump supports Putin  
Republicans support Donald Trump

Anyone who supports these Americans  
are traitors to everything that is America

To condone the actions of an enemy of America  
and the world human society  
is to be a traitor to America  
the new Jerusalem

Donald Trump has shown his  
colors, while in office  
and now a year later  
nothing has changed

If I am a minority of one  
the truth is still the truth  
Let those who have eyes see  
and those who have ears hear

ON THE VIDEO: UKRAINE

On the video  
a contemporary war scenario  
is playing out  
  
750,000 women  
and children  
running from  
the Russian hell  
encroaching on  
their homes

total disruption  
of their happy  
lives

This is not  
a war in Afghanistan  
where tribal war  
and murder  
has been going on  
for decades

But it is the same  
in people refusing  
to give up their  
land and homes  
to a foreign invader

The RussianS  
did 10 years of  
war in Afghanistan  
and lost

Then America moved in  
and left just the same

Afghanistan taught  
Russia nothing

Afghanistan  
after Vietnam

What did America  
learn in Vietnam

The complete destabilizing  
of the Middle East  
by George Dubya Bush

and his lies  
about AlQueda  
and Saddam  
compact

And Saddam's weapons of  
mass destruction

Joe Biden had  
no choice but  
to leave Afghanistan  
the war was  
never going to end  
and could not be won

Now we see missiles  
slamming into residential  
skyscrapers  
and killing few

Think about what  
it is going to cost  
the Russians  
to go door

to door  
room to room  
with patriots  
just waiting  
to kill a few Russians  
with whatever they have

booby-traps  
everywhere

Russia could not  
remove people  
from their homes  
in the ancient  
land of Afghanistan

Same same in Ukraine

Those Ukrainians  
are parting with  
wives and children  
to defend their  
homes and their lives

The Russians lost  
10s of millions to the  
Nazis

Now on a smaller scale  
they are the Nazis

A Russian soldier  
on the military radio

“we don’t know  
who to kill  
they look  
like us.”

meaning not like  
poor Afghanis

Yes the reality  
that they are attacking  
and killing themselves

And there is that always  
the present  
easier to kill  
people of color  
than Whites.

Easier to kill Muslims  
than Christians

## THE END OF DONALD TRUMP

The end of Donald Trump  
has come  
his base will leave  
him now  
  
finally

He immediately praised Putin  
took his side  
when Putin invaded  
the Ukraine

Now we see who  
has the wisdom  
of years  
and time served  
in war  
in Vietnam  
and Iraq

Knowing the  
evil of war  
first hand

but for Putin  
and Trump  
life has no value

I have been writing  
contra Trump  
since 2016  
when he became the  
Republican nominee

<https://impeachpresidenttrumpusa.com>

Yet he built a huge  
base of apathetic  
hateful  
dictator lovers  
and USA haters

Now as the remnants  
of this base  
whose ignorance  
join with the Trump ignorance  
as fellow sociopaths

Will they see the misery  
of 750,000 Ukraine refugees  
fleeing with just the clothes  
on their backs  
young children  
who barely know  
how to walk  
and babies  
in mothers' arms

No home  
nothing familiar  
just others the same  
as far as they can see

Their lives have  
been impacted  
for the rest of  
their lives

And the Russians  
keep driving them  
like cattle  
with their  
rockets and artillery  
blowing up their homes

Fathers of some of  
these children  
15,000 have already  
died  
since 2014  
fighting against the Russian  
separatist

Yes Donald Trump  
will begin to lose  
some of his not  
totally insane  
base now

January 6, 2021  
the Trump violence  
inflicted on  
the police  
defending democracy  
at the capital

Now the Russians  
driving people  
out of their  
peaceful lives

Yes  
that is Donald Trump

a psychopath  
sociopath

The worm has turned

Trump made January 6 happen  
now he has  
backed Putin

driving hundreds of thousands  
women and children  
hungry and cold  
on their way to Poland  
and other neighboring  
countries

Yes this is the real  
Donald Trump

The Trump the  
self-righteous

Evangelicals and Fundamentalist  
and Baptist Christians  
backed Trump  
mindlessly  
led by their  
false preachers

Mr Trump  
your true colors  
are self evident  
now

Republicans!  
say goodnight  
you have again  
not rebuked  
Trump

now you Republicans  
must be purged  
from American politics  
because you are traitors

WHERE ARE THE POETS

So where are the poets  
    why am I the only  
        one

Because I am  
    WorldPeace  
        all my life  
for 33 years  
    officially

I have been  
    shouting into the  
        abyss of  
            human apathy that  
are my herd by birth date  
    the Baby Boomers

Where are you Pulitzer  
    winners  
        where are those  
            poets  
        and poems about  
Iran, Syria, Iraq, Afghanistan  
        about this unfolding  
            war in Ukraine

Where are your poems  
    what is your position

Oh  
    so it takes  
        years of wordsmithing  
            50-90 poems

You cannot wordsmith  
    pain and suffering  
        these emotions  
            have to  
                come from the  
            personal heart  
        from life experiences  
    and vicarious experiences  
        or just looking  
            around

Where are you Amanda Gorman  
    you are the young  
        Black female  
            inaugural poet

What do you have to say  
    about the war that is  
        on the video

What is Oprah  
    advising you now

What is she telling  
    you about real  
        pain and suffering

Have you not seen the  
    refugee mothers  
        and fathers saying  
            goodbye

Confused children  
    on the road to hell  
        no way  
    for the innocent mind  
        to make sense  
            of any of it

Where is your poetry  
what say you  
about husbands  
in harms way  
as it is happening  
are you going to  
comment when the pain and  
suffering ends  
  
if it ever ends for those displaced

What say you about  
these children

Craft a poem  
for us  
give us light  
give us hope

You cannot  
and if you could  
you would not

But if you will  
you do not have  
a week to craft  
your poetic wisdom

You must speak now  
not later about the tragedy  
of war  
speak now when  
war is devastating  
the innocent  
in real time

Yes I have 73 years  
and I have been  
writing poetry for 53 years

My poetry comes  
from my soul  
from my heart  
straight from the pen  
to the page  
that is my method my technique  
my connection

But wordsmithing  
cannot emerge  
on the run  
away

or as evil plays out  
on the video  
as real  
as real can be

Those are my parents  
and brothers  
and sisters  
and children  
and grandchildren  
and cousins  
and parents and  
grandparents

Be glad you did not  
see America  
    napalming Vietnamese  
        in their homes  
    their villages  
on the video  
    every night during the  
30 minute news

This is not a war  
on poor peasants

This is a door to  
door assault  
    in contemporary  
        modern cities  
of the highest  
civilizations

the same same as in Europe  
and the USA

Speak Amanda  
and speak you  
    Baby Boomer poets

Now is the time  
to ply your trade  
tell us what  
    is happening  
tell us what to do

Tell us how to  
    cope with fathers  
        going off alone  
            to fight  
        for family and  
    home and nation

Speak  
    I say speak  
        your wisdom

and if you have  
    no wisdom  
        please do not  
            suffocate us with  
                your apathy

Do not write about the  
    tragedy of war  
when it is over

Speak now  
    of forever hold  
        your tongue

A year ago you were  
    everywhere on the video  
        Amanda  
    Everyone wanted to know  
what Amanda had to say

The ghost of Amanda  
    now hides away

AMANDA GORMAN AND GRETA THUNBERG

It is my most  
sincere hope that  
this is the last  
war we must  
endure  
in the world human society

the inhumanity  
of apathetic  
sociopathy  
reborn 1930s 40s Nazi evil  
in 2022

I read all I could find  
about Hitler when I  
was young  
but did not  
get it until  
Trump was  
elected

Those who backed  
Hitler have come back  
as Trump  
slaves

This war is going  
to give a live  
history lesson

about 1918  
about 1945

here we progress ahead  
out technology  
and science  
is a metric

our sociology  
has morphed  
into infinite  
hatred

Refusal to get  
vaccinated for the  
common good

Burning down  
the Garden of Eden

Where is our Greta Thunberg  
poet

She is too busy  
working to bother  
with recording  
her convictions  
her emotions if any

She displays  
the moments  
since 14  
she has devoted  
her life to  
stopping the madness

Not spent her time  
wordsmithing poetry

She has been in the trenches  
every waking hour

and who is her poet  
who is writing  
her story  
for future generations

The world is upside down  
Pulitzer is upside down  
My generation is  
upside down

I have created  
a Teach Peace Curriculum  
  
that no university  
teaches  
refuses to teach

Maybe now there  
will be some  
interest

Maybe enough activists  
for peace and  
hatred from  
war will emerge

and we will know  
we cannot increase the  
peace in the world  
human society  
if we  
**DO NOT TEACH PEACE!**  
**NOW !!!**

THE CRITICAL MASS

The critical mass  
has been birthed  
but it is not  
yet mature

the critical mass  
of apathetic  
zombies

who are unmoved  
by the videos  
of the truth  
of war

and evil men  
like Putin and Trump  
and their clones

in Myanmar, in India  
and most especially  
in Israel

the Palestinians  
have endured the  
the anti-Semitic hatred  
of the Zionist  
for 70 years

The Jews were to take  
their holocaust and  
and become a  
rabid Army  
of global defenders

of human rights  
and an end to  
all holocausts

in the world human society

But instead they have  
taken the Hitler  
holocaust model  
and short of the gas  
chambers  
inflicted unimaginable  
a Zionist holocaust on the  
Palestinians

their brothers  
~ the Zionists and Muslims  
have a common  
father in Abraham

Putin can be thanked  
for the awakening  
because when  
the Ukraine war  
plays out  
the world is going  
to first turn its  
eyes to the  
the Zionists

And all the Christians  
who believe in the  
false  
Book of Revelation

and that the world  
is about to end in  
doom and gloom  
scenario

are doing nothing  
but waiting on Jesus  
to return  
when he said  
he would never leave

Yes Putin is the  
catalyst

We will emerge  
into a more  
sane and just  
world human society

But the pain and  
suffering of the transition  
will be great

The birth of all children  
begins in pain  
for the mother  
and trauma  
for the one  
being born

I have a template for peace  
I have commentary  
but I have no  
organization  
and never will

I am one man  
with one message

Let there be Peace on Earth

Putin is a wakeup call

He will not be  
victorious in his  
war

It is my  
belief he will  
end up in a  
trial in the world court  
for his crimes against  
humanity

and suffer the same  
death that he  
is presently  
foisting on the citizens  
of Ukraine

If only Trump his clone could  
follow him to the  
gallows  
after a trial

These times  
must play out  
and violently

along with the martyrs for  
peace  
who are now being  
murdered by Putin

must embrace their  
destiny

so that the last  
remnants of the  
20<sup>th</sup> century wars  
can have a final final  
closing chapter

THE RALLIES

The rallies  
the demand for peace  
are gathering all  
over the world

but without a  
tried and proven  
rally point  
it will fail  
with no where  
to go

The entrenched  
Baby Boomers  
expect the protests  
to disintegrate  
like the  
millions who protested  
against Dubya Bush's war  
in Iraq

The government of the UN  
is entrenched  
and they are  
entrenched  
in the status quo

Without a flag bearing  
guidon  
these protests  
will degenerate  
into mobs

The entrenched power elite  
have no intention  
of doing anything

THE CHILDREN

The crowds of  
Ukrainians line  
the road to Poland

The train stations  
same same

Close to a million  
refugees displaced  
running for  
safety for  
life

And everywhere  
the children  
as long as mother  
is there  
they endure

Lots of playmates  
in unplayful times  
in this place  
but few toys

nothing familiar  
their friends  
are not right here  
but scattered out on the  
road to safety

Strange people  
everywhere  
no room to  
run  
to play

Dirty clothes  
dirty faces and hands  
Scant water  
for drinking  
not happy times now

These children  
impossible to know  
what is going on  
only chaos  
everywhere  
all around

One day they will die  
these children  
maybe they  
will die in this place

but no matter when  
or where  
their bodies  
minds and souls  
scarred  
for their lives

Indelible impressions  
for the youngest  
vague memories  
that will  
linger

For the older ones

the memories more vivid  
graphic

The definition  
of civilization

has taken an evil  
turn  
a tortuous twist

Ukraine is a war zone  
border to border  
but now  
outside the  
Ukraine borders  
life safely goes on

People around the world  
give it their attention  
for a few minutes  
watching the  
nightly news

Across the border  
children are safe  
happy having fun  
and being safe

Too bad about those  
Ukrainian children

THE HOLOCAUST BABYN YAR

The Nazi murdered  
33,000 Jews  
at Babyn Yar  
just outside Kyev  
September 1941

The Russians  
damaged the  
memorial  
violated sacred ground  
with their shelling  
Kyev

What is the difference  
between the Nazis  
designating a  
Jewish extermination site

and the Russians  
executing Ukrainians  
in their homes?

220302-1230

## THE COLLAPSE OF RUSSIA

Per Biden's  
State of the Union speech  
harder sanctions  
are coming  
for Putin's Russia

The international community  
could completely  
collapse  
the Russian  
economy

I think as long  
as the Ukraine  
continues to fight  
the world  
human society of nations  
will continue to close off  
Russia

There is a mounting  
problem with Russia  
trying to level  
all the cities  
in the Ukraine  
to make them  
look like the German cities  
after WWII

What Putin does not  
realize is that  
all the assets  
that are  
being frozen  
one at the end  
of this going

to be used to  
rebuild the Ukraine

What has been seized  
will be confiscated and sold  
to rebuild the Ukraine

The price may be so high  
that Russian Oil  
will be boycotted

If he does not  
pay a heavy portion of  
that income  
to rebuild  
the Ukraine

I do not think  
the Russians will  
allow him to  
use nuclear weapons  
anywhere

China is not  
going to collapse  
its economy  
as a price to keep  
supporting  
Putin

China has now seen  
that if it tries  
to take over  
Taiwan

the world will feel  
confident enough  
after destroying

Putin  
to cut into China's  
economic growth

Putin's scorched earth  
policy in Ukraine  
can end world war  
and maybe  
cause the United Nations  
to unite and begin  
to deal  
with the Zionist concentration  
camp for Palestinians  
and Myramar  
and give the  
Kurds their  
own homeland

The only alternative  
is open borders  
globally

will open borders then there  
would be no need  
to redraw  
borders globally  
and infrastructure

The rebuilding in Ukraine  
can be rebuilt  
by those murdered  
by Putin  
cannot be brought  
back to life

It may be that  
the UN can also  
force Russians to

oust Putin

Among all the  
destruction and murder  
I see an end  
to world war  
and a more sane and just  
world human society

WHITE RACISM IN POLAND

The right wing Poles  
do not want Black  
and Arab (Muslim)  
refugees from Ukraine  
in their country

first because they  
are not Christian  
second because  
they are not  
White

There seems  
to be a growing White racist  
coalition in the West  
against Blacks

That would be  
contrary to Jesus'  
teaching  
but radical Christians  
have a history of  
supporting genocide of  
indigenous people  
in the USA  
Canada and Australia

as well as the slavery issue

The nature of homo sapien sapiens  
is to advocate  
a homo genus  
society

It is going to be much  
easier to end war  
than to end

White Racism

Americans were very  
reluctant to go to war  
with White Christian  
Germany  
as opposed to  
Yellow skin Japanese

Had the Japanese  
not bombed Pearl Harbor  
and brought on the  
Axis of  
Germany, Italy  
and Japan

Americans may have  
refused to go to  
war in Germany

There was strong support  
for Hitler in America  
and we have a  
rotten core of Trump  
supporters presently praising  
Putin

Nothin could be more  
traitorous

Unless we listen to  
the higher nature  
of the angels  
of our souls  
war will persist  
in the world human society

Never forget

that of the end of war  
the end of racism  
there is a determination  
to use money  
and economics as power

There are many billions  
of humans  
on the earth  
who desire to be kings

and there is the global  
subordination of women  
to second class  
citizens

THE NUCLEAR REACTOR IN  
ZAPORIZHZHIA, UKRAINE

Putin's troops  
took the nuclear reactors  
at Lviv

and shots were fired

Had the nuclear reactor  
been hit  
the fallout  
would have  
killed most in Europe  
based on the facts  
from the Chernobel diaster

the insanity of Putin  
has no limits

The insanity of Putin  
has no limits

the insanity of Putin  
has no limits

with Chernobel  
and Fukishima  
I think  
Europe is going  
to shut down  
all nuclear reactors

the insanity of this  
knows no bounds

I really thought

8 days has

DAY 9

1) The nuclear reactor  
is safe  
no excess radioactivity  
only one of six  
reactors  
on line

That issue  
seems to have moved  
to the back  
burner

2) By the end of  
the day 1.5 million  
refugees  
  
most going to Poland  
no border crisis issues  
as regards to  
blocking entry

Putin has pushed  
the war into NATO  
these countries  
will protect  
the refugees

3) Massive trauma  
for children  
food seems to  
be plentiful  
for those who  
move to neighboring  
countries

we see a reaching out

a laying aside  
of all other  
country to  
country issues

A great example  
for the Trump  
Republicans  
hate, obstructionists

What is going on  
is a reminder  
to the Baby Boomers  
and their parents  
of the total cooperation  
in sync  
war effort

Trump big mouth  
admiration of Putin  
is a dagger in his  
heart  
he cannot remove it

Americans will  
not allow it

Republicans cannot  
take it back

and the social media  
sites tht  
came up supporting  
Putin

no word on thme  
today

The right wing Poles

against Black  
and Arab Muslims  
no words on that

4) News of many  
Christian churches  
packing food  
and clothing  
blankets  
for shipment to  
refugees

No dissent  
people feel the  
pain of the refugees

More signs of America  
coming to their  
senses

Trump out of  
the picture except  
his social media  
platform has  
crashed under the management  
of David Nunes  
the traitor of  
American  
traitors

5) The Russian Army  
looks incompetent  
untrained 18 – 20 year olds

Convoy still stuck  
outside Kyve  
four days now

Putin hired 1000 experienced  
mercenaries  
to fight

6) Mastercard and Visa  
shut down in Russia

So now those credit  
cards are all suspended  
and cash is  
hard to get out of  
ATMS

Putin says  
sanctions are an act of war  
Makes me laugh

Biden warned his sanctions  
were coming like never before

7) Zelenski has the world's  
admiration – all are  
behind him

Putin the latest global pariah

Cease fire the morning  
lasted 30 minutes  
then Putin opened fire  
on those on the streets  
to leave  
so  
they had to  
go back inside

Zelensky is powerful dynamic leader  
total opposite of  
evil Putin

NATo has taken lead  
in helping Ukrainians  
USA is helping  
but at the back  
of the bus  
following NATO  
but engaged

Biden approval  
jumped 40 to 48%

78% want to shut  
off completely oil  
from Russia  
even though  
prices going though  
the roof

All talk in USA about local drilling  
no talk of carpooling and  
driving less  
so stupid

No negativity  
about the Ukraine  
except against  
Russia

Russia cannot  
kill Zelensky now  
the fierce resistance  
will make  
him a marytar  
and intensify their  
resolve

All Ukraine are pro-democracy

the end of  
interview about  
pain and suffering  
they all are pro  
fight  
to the death if  
necessary

Zelensky pleading for  
no fly zone  
meaning NATO and  
USA  
stop Russian fly-overs  
bombing civilians  
not ready  
for total World War  
with Russia  
afraid Putin would  
go nuclear

Putin expected  
roses when he  
moved into Ukraine  
because he moved  
into separatist areas  
from Crimea first

Rest of Ukraine  
have stopped the  
Russian Advance

As a Army sgt  
it is easy to know  
that a Russian USA  
fight all Russians would be  
dead on the  
battlefield  
at this point

Russia has the third largest army  
in the world  
and they are  
confused  
disoriented

No fly zone  
not available now  
but M29 Migs jets  
coming from NATO  
Ukraine has pilots  
just needs planes

The world is with Ukraine  
because they are fully  
engaged

“Give them democracy  
or give thme  
death fighting  
for it”

Today more than yesterday

Putin is in a hole  
still digging

9) Retired generals  
say things will  
get worse but in the  
long Russia  
cannot win this war  
with NATO  
and USA providing  
weapons  
  
and the Ukrainian

refusing to give up

Putin has already  
killed enough  
Ukrainians

to keep their blood  
hot against Putin

they will never  
back down

No Ukraine  
interview  
has mentioned any  
alternative to  
fight to the death

Something has changed in  
the world human society

11) And China  
they now know  
taking over Taiwan  
is not possible

And they know  
after this war is over  
the UN is going to  
bring up Tibet to  
China  
and Gaza the  
Palestinians  
to Israel

the Jewish are begging  
USA not to sanction

SUNDAY 220306 DAY 10

Those who were

never in the military  
much less during  
time of war

Have no concept  
of what is happening  
in Ukraine

More but less  
the parents of  
a military son  
~women have  
never been  
drafted  
in the USA

I was going  
into the military  
no matter what  
at about 12  
or 13

My father  
and his two brothers  
all Army veterans

I committed  
to going into the Army

I graduated from the University of Houston  
August 1970  
was drafted  
into the Army

October 12, 1970

Went to Ft Polk  
Louisiana  
where 2000 men  
a week  
went to Vietnam

After 11 months of  
infantry training

I was sent to

SETAF

I went into the Army  
became a sergeant in March 1971  
went to Europe  
September 1971

From the first day  
in the Army  
the choice was  
go to Vietnam  
or run

I was well prepared  
to be a killer

PUTIN

Putin threatened

Ukraine with annihilation  
and this little  
bastard  
says the devastating  
sanctions are  
a declaration  
of war

He murders

women and children  
with forbidden  
cluster bombs  
and Thermobaric  
bombs  
civilian targets

and challenges

the world  
to put a  
choke chain  
around his neck  
and then hang him

His greatest fear

per his biographers  
is to be hanged  
Like Mussolini  
in public  
upside down  
with his whore

220306-0212

THE OBVIOUS THE HIDDEN

It is hard  
for me to believe  
the reality  
that another  
Hitler  
is holding  
Europe hostage  
and murdering  
exterminating  
people  
like roaches

I like the John McCain  
definition of Russia  
“A gas station  
posing as a  
country

Putin has an army  
far inferior to  
the USA  
that seems obvious now  
but he as  
5500 nuclear  
warheads

The used cluster bombs  
and thermobaric  
bombs on the  
civilian population  
of the Ukraine  
like Hitler  
used the  
SS to exterminate  
the Jews

But Hitler  
did not openly  
kill the Jews  
as Putin openly  
kill Ukrainians

Putin considers  
Ukraine his  
always did  
so obvious now

He has begun to say  
that he will  
terminate Ukraine  
as a state  
meaning a nation

What is coming  
for the cities he controls  
is starvation  
of the population  
in other words  
huge concentration  
camps

There is no future  
for Russia  
all the bombs  
in the world  
cannot subdue  
a nation of determined  
freedom fighters  
patriots

in other words a  
huge concentration  
camp

There is no future  
for Russia  
all the bombs  
in the world  
cannot subdue  
a nation of determined  
freedom fighters  
guerilla warriors

But many will die  
maybe millions  
but they will  
not die  
from bombs  
but from  
starvation and the  
cold now  
but Spring is coming

Again America  
and Europe are  
paralyzed  
into inaction

We can destroy  
their economy  
but not as  
long as the world  
is dependent  
on fossil fuels

I think the USA  
is going to have to  
drill and produce  
oil and  
become a producer  
to stop the dependency  
on Russian oil

The world human society  
has enslaved itself  
through oil even  
as the climate begins  
to crash

1/3 to 1/2 of  
the oil revenues  
are going  
to have to be  
spent on  
renewable enegy

We now know  
that nuclear  
energy is not  
an option

Human stupidity was Chernobyl  
Mother nature was Fukushima  
Putin is the  
threat to  
nuclear Ukraine

If Putin shut  
down the nuclear  
reactor  
then he is going  
to sell a lot of oil

So the reality of Putin  
is being the only  
source of  
energy  
for Europe  
for the next 20 years

What is so absolutely

incredible is that  
    one evil man  
in the world human society  
    can stand  
        near untouchable  
            in the  
        short term

Killing people  
    like Hitler  
        but in the open  
    we all thought  
was just a movie  
    script

Unlike Hitler  
    Putin is engaged  
        he is fully present

Yet  
    What is with the  
        giant conference  
            table

Is he afraid  
    of a bomb  
        like Hitler  
            in his Wolf's den

His problem  
    is the oligarchs  
        when they see  
            their power  
        and money disappear  
and by association  
    with Putin  
        become  
    world pariahs

Then they may  
act to assassinate  
Putin

220307-0515

## JETS TO UKRAINE

Jets to Ukraine  
are a waste  
the old MIGS  
from Poland 27  
  
to be replaced by new  
high tech jets  
from the USA  
sometime in the  
future if the Congress  
then doesn't  
change its mind

Airplanes are like  
shoes and clothes  
you can't put  
on a jet  
then go right  
into a dog fight  
with a Russian  
pilot who has  
been flying everyday

probably all 27 jets  
and pilot would be  
gone dead  
in a week  
or two

No country can put pilot  
and planes in Ukraine  
without expanding  
the war  
under the pretense  
of limiting it  
to a

no-fly zone

So this idea

is just a very short

lived diversion

from the real problem

~Europe's dependency

on Russia oil

MOTHER AND CHILDREN REAL TIME PICTURE

A mother with children  
decided to make  
an escape  
out of Ukraine

Try to crass a bridge  
a mortar  
stopped them all  
their lives  
cut off

No dead  
in school clothes  
on a normal  
morning

A strike in the  
gut image

White kids  
happy colors  
no protection

against  
hot scrapnel from  
an exploding mortar

In infantry training  
we watched mortars  
being launched  
straight up into the blue  
until out of sight

the arching down

had the children

looked up they  
would have  
not seen death coming

and if they saw it  
a second or two  
later  
the end of seeing  
anything  
over

The mortar man  
if he had eyes  
on the bridge  
would have witnessed  
the kids  
shredded  
in the colorful  
kid coats

And if the mortar  
man was not a  
witness  
the spotter  
was

who would have radioed  
a high-five  
to the mortarman

CHINA BACKS RUSSIA 100% NOW

Putin wanting to expand  
the Soviet Union  
boundaries  
34 years after  
the boundaries  
changed

Blaming the USA  
and NATO  
for taking in  
the old  
Soviet state

Drew the line at NATO  
in the Ukraine

China under Mau  
Russia under Stalin

suffered millions dead  
under communism  
trying to catch  
up to the world  
in the 20<sup>th</sup> century

Human life  
has little value  
over the goals  
of the state

China has eyes on Taiwan  
almost 80 years now

They raped and pillaged  
and almost murdered  
out of existence

of the non-violent  
Tibetans

Fortunately the Dali Lama  
was invited to India

Dali Lama  
says it was  
for the best  
because Tibetan Buddhism  
propagated around  
the world

But they were not  
Chinese so they  
were nothing  
plus they were  
saturated with  
religion and

impediments

to communism  
with its god as State  
power and money

Hong Kong has been raped  
1 million Muslims being  
reprogramed  
or executed  
maybe

imprisoned

first  
now they lived in  
concentration reprogramming  
camps

They have taken up  
the mantra that the  
QUAD in Asia

Japan. South Korea.  
Australia. USA

same as NATO  
and USA  
in Europe

So it seems  
Russia and China  
are now fully  
in sync  
china helping to  
loosen economic  
sanctions  
in Russia  
by NATO and USA

So the killing fields  
in Ukraine  
where Russia  
is spending millions  
to kill  
humans with bombs  
very expensive  
no eff---

Russia in two weeks  
knows Ukraine  
will fight to the  
death

A door to door  
urban battle  
cost a lot  
of Russian lives

So far now they

just bomb  
civilians  
while they figure out  
what is next

Russia learned nothing  
in Afghanistan  
about determined freedom  
fighters  
patriots  
insurgeants

With ongoing sanctions  
and a never  
ending patriot  
fight  
Russia can't win

NATo and the USA  
just have to keep  
pouring weapons  
into Ukraine  
low tech rifles  
sniper rifles better  
and high tech  
Javilin tank killers  
and stinger  
helicopter and  
jet killers

The stinger  
enough stingers  
are more effective  
than jets

RUSSIA OIL UKRAINE NUCLEAR REACTOR

~ Depending on Russian oil

and nuclear reactor  
in Ukraine  
that would  
be blown up  
and wipe out  
Western Europe

Or just shut down  
the reactor  
and sell more  
oil is  
the Russian  
\_\_\_\_\_ plan

So in this plan  
you don't want to  
kill too many  
economically enslaved  
oil consumers

Forget global warming

I am sure Russia  
will help Ukraine  
dismantle  
the reactor

to give peace of mind  
and no money  
for oil to Russia

220308-0505

SOCIAL MEDIA PRESSURING  
AMERICAN COMPANIES  
DOING BUSINESS IN RUSSIA

I see no way  
for those companies  
to continue to make  
money servicing Russians  
who are killing  
civilians in Ukraine

The choice  
should be immediate

The cost to these corporations  
is nothing compared to  
WWIII

the shutting down  
of the companies  
in Russia

Stops all denial  
by Putin and

the leadership of Russia  
that Russia is in  
the right

Russians who go on  
will business as usual  
absolutely  
share the evil of Putin

I do not know  
why the corporate  
decisions are so hard

There is a policy  
of the USA  
to boycott  
Divest  
and Sanction  
Russia

By staying open  
the makes WWII  
possible

Another war in Europe  
back to the 20<sup>th</sup>  
century

Greed is a powerful  
force in the world  
human society

right next  
to apathy

definitely more  
powerful than

“All hail the power  
of Jesus name”

220308-1152

A SECOND RUSSIAN GENERAL KILLED

Major General Vitaly Gerasimov  
Chief of Staff 41<sup>st</sup> Army  
Central Military District Russia  
along with other  
senior officers

This is crazy for the  
3d biggest army  
in the world

It show how inept  
the Russians are on  
the battlefield

Part I am sure  
they did not expect  
a whole country  
of freedom fighters  
ready to die  
defending Ukraine

They did not expect  
an Afghanistan  
repeat

Another laughable  
problem is that  
the Army has  
lost some communications  
in the area  
because the Russians  
blew up the 3G 4G  
cell phone towers  
the Army was  
using

Now the communications  
are not secret  
and the  
Ukrainians  
can listen to orders  
being given  
by the Russians  
and prepare their defense

LOL

220309-0325

MORE AMERICAN CORPORATIONS LEAVING RUSSIA

MacDonalds Starbucks  
and other global  
corpoations are  
closing down  
in Russia

giving pay to  
the non working  
employees  
60,000 workers

New York Times is leaving  
afer 100 years  
due to the 15 years  
prison term  
for reporting negative  
news

The ruble continues to decline

Britain serious about no  
Russian jets in their  
air space  
it is a \_\_\_\_  
now  
under control of  
cops not the FAA

The economic  
are having an impact  
and more and more  
American companies  
will be leaving

220309-0338

POLISH JETS

Poland said  
it was giving 27 MIG jets  
to Ukraine through  
U S base in Reinheim

But not US says  
no it is a bad  
idea the jets  
wont help that much

and will be  
shot down  
quickly

Also they need to be  
refitted which takes  
time and money

And there is the  
Russians maybe saying

the war expands to NATO  
v. Russia  
another key to WWII

So much is new  
in the conflict  
economics is  
the controlling  
factor  
if it holds  
then no more  
soldier world wars

It is obvious now  
what serious sanction

Dr John WorldPeace JD complete poems 2021 June

can do to a country

Russia is blowing up  
a lot of buildings  
but the USA and allies  
and other  
contra countries  
are joining the sanctions

due in some part  
to social media showing

There is really no  
saving face  
way out for  
Putin now

In a word  
they overplayed  
their hand

220309-0346

## U S QUIT BUYING OIL FROM RUSSIA

Congress sent a bill  
to President Biden to stop  
oil imports from  
Russia  
\$100 million a day

Biden made the Republicans  
sign off on the reality  
of higher gas prices  
So he wont be  
blamed for that  
71% of Americans OK  
with resulting higher  
gas prices

Republican are happy  
because it mean more  
money for oil companies  
opening up drilling  
in the USA

It is just going  
to fast forward  
global warming

No one care about  
that its their  
childrens problem

I hear nothing  
on the new about  
drive flying less  
or a way  
to slow down gas-flation

PUTIN SAYS ECONOMIC WAR  
NOT PART OF REAL WAR

Putin was told by Biden  
over and over  
that if Russia  
invaded Ukraine  
the sanctions  
were going to be  
something out of his  
worst nightmare

Putin shrugged it off  
in his arrogance  
now he sees  
but it is too late

American corporations are  
moving out of Russia  
more each day

These global corporations  
are one of the  
8 foundations  
of WorldPeace  
Governments, Religions, Courts of Law  
Social Media, Global Corporations,  
Universities, Democracy,  
Global, Economics

All 8 control  
the level of peace  
in the world human  
society

In an old school  
boots on the ground  
WWI WWII war

there were few global corporations  
no Social Media

The interconnected oneness  
of Global economics

Putin does not live  
in the 21<sup>st</sup> century  
but is stuck in the 20<sup>th</sup> century

Each day more and more  
global corporations  
are being pushed  
to join the  
Boycott Divest Sanction  
global branding  
of Russia as a  
pariah nation

The world human  
society seems to have  
become intolerant  
to mass murders of  
civilian population

and this Russia V. Ukraine  
war is going to  
be the last  
global war

Economics is the  
God of the world human society  
Corporate Religion

PUTIN TRUMP HITLER

We now see

more and more  
how much Trump  
Putin and Hitler  
are cut from  
the same cloth

All are liars  
and lying is how Jesus  
defined Satan  
“The father of lies  
because there is  
no truth in him.”

Putin bought 200,000  
boots on the ground to  
Ukraine  
said he was  
not going to invade  
then did just that

Agreed to safe corridors  
for Ukrainians to escape  
then opened fire on them  
in bombing hospital  
the worst was a  
maternity hospital  
yesterday

And he used the same  
excuse as to Zionists  
against the Palestinians  
the freedom fighter  
wee using it  
as a base  
of operations

Now Putin is  
saying Ukraine was  
manufacturing  
biological weapons of  
mass destruction

So Putin  
back the other world creep  
Assade of Syria  
Putin is about to  
use chemical  
and biological  
on Ukraine

In this war you  
can tell what Putin  
is about to do  
by what he denies  
and what he accuses  
the Ukrainians of  
doing

For me biological  
weapons of mass  
destruction  
are a bright red line

It is a life sentence  
of sanctions and  
the total  
forever  
wars  
against nation  
who use them

When this Ukraine  
war is over  
hopefully the sanctions

against Russia  
will remain

The total  
war on fossil fuels  
and that leaves Russia in  
the stone age

forever and ever amen

And don't forget  
total economic war  
against Russia

RUSSIA OPEN CRIMINAL INVESTIGATION OF META

Russia opened  
a criminal case to  
designate  
Facebook's parent company  
Meta  
an "extremist organization"

Meta temporarily  
eased its political  
speech rules  
allowing posts like  
"death to the Russian  
invaders."

But no speech promoting  
violence against  
Russians

Putin is coming  
unhinged he has caused  
more economic  
damage in Russia  
that all he has  
accomplished since  
he took over from  
Yeltsen Dec 31, 1999

Making an isolated  
country out of Russia  
a pariah nation now  
over its aggression  
against Ukrain  
will end a possible  
future nuclear  
war with Russia  
or China

The children of the  
Third millennium  
have a new  
perspective  
of world order  
and they bring on  
the Age of Aquarius  
and the evils  
of the corporate religions  
and the  
Age of Pisces

Putin is a trapped  
rat about to  
understand  
economic rat poison

The economic  
withdrawal if it  
continues will  
leave him  
what Senator John McCain  
called Russia  
“A gas station  
posing as a nation.”

After the Russian  
are vacated from  
the Ukraine  
  
the world human society  
will move fast and  
furious  
  
to end the planetary  
use of fossil fuels

WATER DECONSTRUCTED INTO OXYGEN AND  
HYDROGEN AS THE FUTURE ENERGY

The only  
sane future  
for the world human society  
is to develop  
water as energy

Convert water into  
Oxygen and Hydrogen  
and burn them  
for energy  
by recombination  
the byproduct is  
water.

Unlimited energy  
in water which covers  
70% of the planet

After Putin and as a result of Putin  
the enemy will be  
fossil fuel companies

The greed in the  
world human society  
is the driving force of  
fossil fuels  
as energy

Boycott Divest Sanctions

It is the common  
human who owns  
fossil fuel stock  
that fund the  
fossil fuel companies

After we make Putin and Russia  
pariahs in the  
world human society

We need to focus  
on fossil fuels  
executives  
who do not immediately  
take their  
companies to  
renewable energy  
or just shut down

THE CHESS GAME THAT IS  
RUSSIA VS THE USA

Putin started his  
war with lies  
that his 190,000  
boots on the ground  
surrounding the Ukraine

was no indication  
that he was  
going to invade

but he did

Within days  
he realized  
that the Ukrainians  
were not the  
Crimea  
and he was not  
going to win a  
very short war

His generals battle plan  
was defective and the  
Ukrainians were  
ready to fight  
to the death

Putin forgot  
that he had  
a proxy war  
since 2014  
in east Ukraine  
and the Ukrainians  
had a worthy trained  
army fighting

there for 8 years

Then the sanctions began  
and expanded beyond the USA  
to Europe  
and now American corporations  
are pulling out  
one by one  
more each day  
leaving billions  
of dollars  
of investments  
in Russia

Putin threatened  
to nationalize those companies

No problem  
when things settle down  
and the war ends  
America will return  
to Russia  
and demand  
their assets back  
as a condition of returning

Putin is still not in  
control with the 3<sup>rd</sup>  
largest Army in  
the world

Putin is being removed  
from the global athletic  
competitions  
and other global  
neutral arenas

Now Putin is claiming  
that the USA has  
biological labs  
in the Ukraine  
a prelude to using  
chemical and biological  
weapons of mass destruction  
in Ukraine

as he did for Assad  
in Syria

That will  
increase the migration  
out of Russia  
by more  
and more  
nations

Putin cannot fight  
a global war  
and China may finance him  
but they will not  
join the Russian  
boots on the ground war

Putin cannot win  
he will never completely  
own Ukraine  
they will fight  
to the death

2.5 million refugees  
have left  
most to Poland

The question is  
how far will he go

will he take Russia  
all the way down  
before someone  
assassinated him  
or Covid  
or cancer takes hold

Question is  
whether on the way out  
Putin has liutenants who will  
fire the nuclear missiles  
as his parting  
farewell

Who knows

I have no doubt  
he will set the  
world on fire

His war now is  
against civilians

A holocaust  
that includes everyone  
no just Jews

One way or the other  
this will be the last  
major war

China knows now  
it cannot have Taiwan  
and there will be  
a price to pay  
for Tibet  
which is working  
to exterminate

But the Dali Lama  
is alive and well  
in India so  
Tibetan Buddhism  
survives

CHEMICAL WEAPONS

The word  
    spreads that  
        the evil Russian Army  
has brought chemical  
    and biological  
        weapons into  
            Ukraine

The evidence  
    is the appearance  
        of hasmet suits

There are weapons  
    of extermination  
        not in gas chambers  
            but into  
        the open air

I cannot wrap my head  
    around the use of  
        these evil weapons  
            of mass murder

The user  
    would have  
        total contempt  
            for all human life

His dementia  
    would be undeniable

It seems  
    Putin will claim  
        that the gas  
    would be from  
        ruptured stores

PUTIN ASKS CHINA FOR A LOAN

Putin is running out of money  
the economics  
sanctions and not  
as boots on the ground  
blood and guts  
but like everything else  
in the world human society  
no money – no war

The USA has made  
clear its ability and willingness to  
impose devastating  
economic sanctions  
certainly China  
is not going to  
casually  
write checks to China

The USA has made it  
absolutely clear  
that any country  
large or small  
that significantly  
helps Russia  
propagate crimes against humanity  
in the Ukraine  
will incur push-back  
from America  
and its allies

Going into the 4<sup>th</sup>  
week of the war  
and asking for  
money  
is a huge  
sign of a half baked war

plan to overrun  
the Ukraine

It is going to be  
devastating for Russia  
to lose its war  
against Ukraine

Even if Putin unilaterally  
pulled out of Ukraine  
now the sanctions  
would not be lifted

And I have no doubt  
because there is  
any agreement  
to lift economic sanctions  
after the war is ended  
and Russia is out of  
Ukraine

Russia will have  
to rebuild the Ukraine

There is a comment in the news  
Russia is running  
short of missiles

In truth Russia  
has made little  
progress in the  
war in Ukraine

It seems to me  
that going into  
Ky ev is  
going to fill  
a lot of Russian body bags

When Russia  
pulls out of Ukraine  
there are going to  
be a lot of  
Putin subordinates  
removed  
from office  
jailed and exiled

Evidently the oligarchs  
(a small group of people having control of a  
country, organization, or institution)  
in Russia  
that Putin made rich  
have refused  
to finance his war

Putin is in a box  
there is no way  
out for  
Russia to ever  
return to  
normalcy within  
decades

No doubt  
Putin sees  
the hangman  
in the distance  
coming for him

Mussolini and Hitlet  
came to bad ends

The USA is not going  
to help Russia  
recover

as it did Germany and Japan  
after WWII

Another part of  
reparations  
Russia is going  
to be required to  
reduce it nuclear  
arsenal  
to reach parity  
with the USA.  
a reduction of about 1200  
nuclear warheads

Putin request  
for a loan from  
China is a huge event

No one else is  
going to finance him

And China is not  
going to give away  
money  
it will not get back

Russia will have to  
sign a Note  
and without  
the West lifting sanctions  
Russia is not going  
to be a good  
credit risk

Boycott  
Divest  
Sanctions

PUTIN'S WAR AND THE TRICKLE DOWN INTO THE  
WORLD HUMAN SOCIETY

The war in Ukraine  
has a giant trickle down effect  
in the world human society  
there is no place to hide

Much of the world is dependent on  
Russian oil

We are in new territory  
but a reality very much a  
part of global warming

We need to cut back  
the use of oil and the  
consequent increase in  
emissions

The use of fossil fuels for energy  
is causing an increase in climate related  
problem that we even now cannot  
adapt to fast enough

We are in a hole and still  
digging

Something that has only  
barely entered the global energy  
climate change discussion  
is the reduction in the use  
of fossil fuels

Drive less. Carpool. Drive slower. Work from home.  
reduce speed limits. Trains over planes.

The problem is that Americans and

much of the rest of the  
world human society  
is the violent reaction  
to mandate mask  
wearing that after two years  
of mandates regarding Covid  
people are not ready to shift  
to a whole new set of  
mandate regarding the  
reduction in use  
of fossil fuels.

At 74, I remember the end of WWII  
and all the conversation how  
all Americans accepted the  
huge inconvenience  
of a Global war  
against Germany, Italy  
and Japan

Everyone was on board  
with the sacrifices  
but all that is forgotten  
and rejected with  
the baby boomer generation  
there is a major push back  
against any kind of  
group consensus  
to work together  
and make sacrifices

I live a minimalist life  
I have made so many sacrifices  
over my 74 years  
I have not felt  
imposed on with  
getting vaccinated  
or wearing masks

But my generation,  
the Baby Boomers  
have little desire to  
sacrifice anything

I cannot help but thinks back  
to the Vietnam war  
and those who were not  
drafted and refused  
to volunteer.

And the gigantic push back  
against civil rights  
for Blacks

I don't know where this  
anti-American demand  
not to be inconvenienced  
in any way came from

This is different from the 1973 oil shortage  
due to Iran

Now we are dealing with Russia  
“The gas station  
posing as a nation.”

Also, we are now dealing with  
natural gas in addition to  
oil

America cannot gear up to drill  
enough oil in the short term  
We have painted ourselves  
in the corner  
and getting out is not  
going to be easy

or short lived

WE MUST TRANSITION TO CLEAN ENERGY  
and there is no way it is going to be easy  
or without sacrifice.

We either make the transition  
or we burn up the Garden of Eden  
and tell our children  
to Fuck Off  
about inheriting  
a desert planet.

We love our fossil fuels  
more than we love our children

That is an undeniable fact.

We are far behind our commitments  
under the Paris Agreement

The Republicans are against  
talk about global warming  
much less doing anything  
about it

The Republican metric is money  
and profit even if it means  
an oil rig in every back yard

Jimmy Carter asked people to  
turn down their thermostats  
in the winter  
and up in the summer.

There was a landslide  
against Democrats  
in the 1980 presidential

elections

If the question of apathy  
about climate change comes up

The spoken or unspoken response is  
WHO CARES !!!

The Putin War in Ukraine  
is another wake up call  
that the world human society  
is coming to a crossroads  
where change is addressed  
and mitigated  
or the world human society  
will crash and burn  
or burn and crash

The acts of the rabid murderous dog Putin  
are going to be seen as a minor  
wake up call to what is bearing  
down on the world human society.

MARIUPOL

The bodies of the children all lie here  
    dumped into a narrow trench  
        dug into the frozen dirt  
        in time a forgotten place

The shovels digging  
    explosions distant and near

There is 18-month-old Kirill  
    shrapnel wound to the head  
        too much for his little body

16-year-old Iliya  
    legs disintegrated an explosion  
        during a soccer game at school

The small girl maybe 6  
    her pajamas with cartoon unicorns  
        among the first of many  
        sacrifices to come

They are stacked together  
    with impossible to count others  
        in this mass grave  
            a place destined to  
        be forgotten

A man covered in a bright blue tarp  
    weighed down by stones

A woman wrapped in a red and gold bedsheet  
    her legs neatly bound at the ankles  
        a scrap of white fabric

Workers toss the bodies in quickly  
    the less time they spend here

the better chance to stay alive

More bodies will come  
they litter the streets  
and yards

They come from piles  
in hospitals  
waiting to be  
gathered up  
ditched  
adults and children  
very young  
very old

The love that once animated them  
buried in grieving hearts  
running hiding  
to survive

No humanitarian corridors here  
but 30,000 fled in  
convoys of cars  
the lucky ones

Airstrikes and shells have hit  
the maternity hospital,  
the fire department  
homes churches

For those still here  
nowhere to go  
no place safe

Food is running out  
The Russians have stopped  
humanitarian attempts to bring it in  
Electricity is mostly gone

water is sparse  
except residents melting snow

Some parents have even left  
their newborns at the hospital  
perhaps hoping to give them a chance  
to live

Death is everywhere  
2,500 and more  
impossible to say for sure  
to dangerous to the living  
to have a funeral

“They have a clear order to hold Mariupol hostage, to  
mock it, to constantly bomb and shell it,” Ukrainian President  
Volodymyr Zelenskyy said on March 10.

There is no panic  
There’s nowhere to run

At the hospitals  
they cant save her  
they cant save him  
age is irrelevant

Without communications  
medics have to guess which hospitals  
could still handle the wounded  
and which roads could  
still be navigated  
to reach them

As it sunk in  
that there was truly no escape  
the mood of the city changed

. It didn’t take long

for grocery store shelves  
to empty

On March 6

as is the way of desperate people everywhere  
they turned on each other

On one street lined with darkened stores  
people smashed windows  
pried open metal shutters  
grabbed what they could

A soldier emerged from another looted store  
on the verge of tears

This agony fits in with Putin's goals  
The siege is a military tactic  
popularized in medieval times  
designed to crush a population  
through starvation and violence  
allowing an attacking force to spare  
its own soldiers  
the cost of entering a hostile city

Instead  
civilians are the ones left to die  
slowly and painfully.

Putin has refined the tactic  
during his years in power  
first in the Chechen city of Grozny  
in 2000  
then in the Syrian city of Aleppo  
in 2016

He reduced both to ruins  
“Who will bring back our children? Who?”

UKRAINE NATIONAL ATHEMN

Ukraine is not yet dead, nor its glory and freedom,

Luck will still smile on us brother-Ukrainians.

Our enemies will die, as the dew does in the sunshine,

and we, too, brothers, we'll live happily in our land.

We'll not spare either our souls or bodies to get freedom

and we'll prove that we brothers are of Kozak kin.

THE WORLDPEACE PERSPECTIVE OF THE LONG  
RUN FUTURE OF THE UKRAINE WAR

Four weeks into the  
    Russia Ukraine war  
        and the future is bleak  
            for Ukraine  
                for the world human society

One man, Putin  
    is holding the world hostage  
        from embracing peace

Without Hitler  
    there was no Nazis

Without Putin  
    there will be no  
        murderous Russian state

As an aside  
    Donald Trump  
        and the mindset of his base  
            were well positioned  
        to end American democracy

The January 6, 2021, insurrection  
    is the proof positive that  
        Trump and the Republicans  
            who supported him  
                and still do  
    plus the radical right  
        wing fascist  
            supported by the  
                Evangelical  
                and Fundamentalists  
    and Baptist Christians  
        are driven by one

undeniable manta  
White Power  
with money as God

America is the only nation  
where all races, all nationalities, all religions,  
all genders live in peace

It is proof that human beings  
no matter how classified  
or categorized  
can live in peace under law

But, within the DNA  
of homo sapien sapiens  
is a desire for a homogenous  
world human society

Blacks would have never  
gained a foothold in America  
were it not for  
slavery

The greed of Southern plantation owners  
brought Blacks to America  
to be exploited as free labor  
like horses and  
other such farm animals.

It was obvious at the founding  
of the United States  
that slavery was a potential  
killer of the great democratic  
experiment

All the White racists today  
in America can thank  
their Southern ancestors

for the large percentage  
of the population  
that is Black.

The early Supreme Court justices  
kept the Blacks subordinated  
in total contradiction  
to the United States  
Constitution

The inequality  
still exists

The core of White Fascism  
is the fact that Whites are now  
a minority race in America

The DNA in White homo sapien sapiens  
demands the forever subordination of  
Blacks, and all other so-called  
muddy people  
(non-whites)

The number one factor  
grounded in the White race  
is the White racists Trump

Christians will absolutely  
deny it  
because it is a harsh  
truth, reality

Equality of the Races  
in America  
is for the Republicans  
a despised so called  
radical left mindset  
contrary to the

God ordained  
White Christian America

The Christians cannot reconcile  
their ultra radical left teachings of Jesus  
through whom they claimed to  
be saved  
and their hateful  
radical White racism  
that permeates  
every aspect of the  
Republican Party

Donald Trump can be counted on  
to keep White power on the top  
of his agenda  
while denying  
he or the Republicans  
are in fact White racists.

There are Republicans  
who praise Putin  
~ who is White  
because Trump  
praises Putin

They are all traitors

Putin is a rabid murderous dog

When you look at what  
Putin did  
in Aleppo  
in support of  
Assad  
and what he did  
in Grozny, Chechnya

with regards to how he  
bombed those cities  
into non-existence

killing human beings  
without remorse

You can see what is coming in  
Ukraine

With huge sanctions against Russia  
Putin and Russia's Oligarchs  
and American global corporations  
withdrawing from Russia  
and Putin is unphased

Why?  
It is simple why?  
He has huge reserves of  
fossil fuels  
which is in demand  
globally

He has unlimited funds  
to propagate  
forever war

He is threatening  
chemical and biological  
weapons of  
mass destruction  
in Ukraine

He used them in Aleppo  
in support of Assad in Syria  
with no push back

The chances are good

Dr John WorldPeace JD complete poems 2021 June

that he is going to use them in  
Ukraine

And there is China  
China will try to  
support Russia with  
money and weapons

because if Putin holds  
in Ukraine  
China will take over  
Taiwan

More than anything else  
China wants Taiwan

It is doubtful that  
economic sanctions  
against China  
will have an impact

## HOW TO END PUTIN

It is time for this Russian war against the people of Ukraine to come to an end. The war goes on. The killing and destruction of Ukraine by the Russians led by Putin goes on even when he now knows he cannot win because he has set the face of the world human society against him by his murderous acts.

Ukraine is being armed by the world to slow down the murder and mayhem foisted on the Ukrainians by Putin.

Sanctions have been put in place led by President Biden. President Biden, as the leader of the free world, is determined to stop sending Americans into country after country to fight unwinnable wars that have taken place since the end of WWII. And he is determined not to start WWIII. This is presently the only known sane course of action for America and the rest of the world human society.

However, the arms to Ukraine and the sanctions against Russia have not worked. Ukrainians are still dying; their buildings and infrastructures are still being leveled.

The freedom fighters of the Ukraine and volunteers who have traveled there have stalled the Russian Army boots on the ground but they have not stopped the bombs and missiles.

There is no end to this war under the present mindsets, under the present plans of action.

There is another way that will work.

Jesus said, "Ask and receive, seek and find, knock and enter. For whoever asks, receives, whoever seeks will find, whoever knocks it will be opened.

If you have the faith the size of a mustard seed, you can say to the mountain move from here to there and it will move. Nothing will be impossible for you.

If you believe in me, you will do the works I do and greater works will you do.”

Jesus is not a liar but the people who say they believe in Jesus do not sufficiently believe the above teachings of Jesus which are true.

What these teachings mean is that we as individuals and as members of the world human society script our future. What we as individuals in our lives and the Nations of the world and the world human society project as the future, is what the future will be. The future will be what we project it to be.

If we project an endless war, we will create a future of endless war. If we project the end of war, war will cease to exist in the world human society.

So allow me to give you a script for the future.

Putin is a rabid murderous dog and he must be put down like any other rabid murderous dog.

But not with a bullet or knife or poison. He needs to be put down by the world human society scripting a future where he is deprived of this life force. If he is deprived of his life force, he will simply lay down and die. If this is not true, then Jesus is a liar.

We execute rabid dogs. We execute human beings who are murders in each of our Nations. Murder is not tolerated in the world human society.

So I have declared what the world human society knows to be true, that Putin is a rabid murderous dog, and has no intention

of stopping his evil acts against Ukrainians and only God knows what other nations if he takes over Ukraine.

Therefore, we must create a critical mass of the world human society projecting, praying for, meditating upon Putin being deprived of his life force. No one needs to do more. This will be sufficient.

What will be the critical mass necessary? I do not know. There has never before been a global focus on anything. There are 8 billion humans in the world human society. It may take a critical mass of 50 million, it may take a critical mass of 2 billion, it may take as few as 50 or 5 true believers. We will see.

Putin is every bit as evil as Hitler. No one is going to deny that. When Hitler killed himself the war in Europe ended. When Putin dies, war will not just end in Ukraine, but world war will end in the world human society from sea to shining sea forever because we will have the will of the people to project WorldPeace.

The world human society will embark on a path to a more Sane and Just world human society with no more Hitlers, no more Putins.

As I have written it, so let it be done.

Also, let the world continue its present endeavors toward ending Putin and his war. But let the focus be on a spiritual ending of Putin grow to a critical mass.

For those who are being murdered by Putin, those who are hiding alone or in groups anywhere, in addition, you must write a script where the bombs and missiles aimed at you will disarm, will no longer work, will fall into open ground, will not reach their target and will kill no one as they are redirected and disabled. This is the script that you must also write to save your lives.

As to the Russian soldiers in Ukraine the script is this. You will put down your weapons, gather up your food and water and begin to walk back to Russia. You will wear white on your person. You will take no weapons of war with you.

No one will harm you. You will have safe passage.

But if you try to take any instrument used to kill human beings with you, you will be attacked and killed. Armed soldier will not have safe passage home.

There will never be peace for Ukraine if one single soldier wearing white and walking home is mercilessly killed while making his way back to the Russian border.

If the Russians ask for a ride home, by all means Ukrainians should help them go home.

As I have written it, so let it be done.

It does not matter what you think about me. I have no organization. I am one man with one message. WorldPeace. I answer to no one but God for what I choose to do.

But what I know is this, the present progression of the war in Ukraine from all perspectives has never worked well. It is time to move out of the 20<sup>th</sup> century and its ceaseless and endless wars.

It is time for the world human society to transition into a true future of peace and justice.

Certainly there is much evidence that there are many humans ready to embrace a new reality for the future and for all the children of the Third Millennium

Forward this to everyone you know NOW. The sooner you get on board this peace train, the sooner the wars will stop. You cannot say my plan will not work, if you in your apathy do nothing. What I have written is the teaching of Jesus, the promise of Jesus. and I can assure you Jesus is not a liar.

Sincerely,  
Let there be peace on earth

## MILITARY MATH THREATENS

### PUTIN'S UKRAINE PLAN – per the experts

The math of military conquests and occupation may be against Russian President Vladimir Putin in Ukraine.

Estimates of Russian deaths vary widely. Yet even conservative figures are in the low thousands. That's a much faster pace than in previous Russian offensives, threatening support for the war among ordinary Russians. Russia had 64 deaths in five days of fighting during its 2008 war with Georgia. It lost about 15000 in Afghanistan over 10 years, and more than 11000 over years of fighting in Chechnya.

Russia's number of dead and wounded in Ukraine is nearing the 10% benchmark of diminished combat effectiveness, said Dmitry Gorenburg, a researcher on Russia's security at the Virginia-based CNA think tank. The reported battlefield deaths of four Russian generals — out of an estimated 20 in the fight — signal impaired command, he said.

Researchers tracking only those Russian equipment losses that were photographed or recorded on video say Russia has lost more than 1500 tanks, trucks, mounted equipment and other heavy gear. Two out of three of those were captured or abandoned, signaling the failings of the Russian troops that let them go.

When it comes to the grinding job of capturing and holding cities, conventional military metrics suggest Russia needs a 5-to-1 advantage in urban fighting, analysts say. Meanwhile, the formula for ruling a restive territory in the face of armed opposition is 20 fighters for every 1000 people — or 800000 Russian troops for Ukraine's more than 40 million people, said Michael Clarke, former head of the British-based Royal United Services Institute, a defence think tank.

That's almost as many as Russia's entire active-duty military of 900000, and it means controlling substantial Ukrainian territory long term could take more resources than Russia can commit, he said.

“Unless the Russians intend to be completely genocidal — they could flatten all the major cities, and Ukrainians will rise up against Russian occupation — there will be just constant guerrilla war,” said Clarke.

Russia's boots on the ground  
are stalled all over Ukraine  
in this the 4<sup>th</sup> week of the war

This is not a siege  
this is not a war of attrition  
it is a stalemate

The Russians are deconstructing Ukraine  
but at the end of the day  
they are going to have to fight

and all that rubble is going to create  
infinite places for Ukrainian  
boots on the ground  
to make the taken of  
ground very  
expensive

Russia has to win  
at the end of the day  
he has to win  
and the way things  
are going now  
does not point to a win

A withdrawal by the Russians  
will be a win for Ukraine

It seems that  
the Ukrainians  
come out at night  
and blow up a few tanks and  
kill a dozen or more  
Russians

Then go back into hiding  
and plan the next nights  
attacks

Ukraine is as big as Texas  
Lots of places to high  
and ambush

As wars like this go on  
every body learns  
how to fight

The Ukrainian fighters  
must have good  
intelligent  
to have killed 12 Russian generals  
6 or major generals  
(two stars)

Slenzkey must stay alive  
He is the most powerful weapon  
the Ukrainians have

He wants to talk peace  
but Putin is not interested  
There can be no peace

Putin has to win

he has to bring the whole  
of Ukraine under his control

The sanctions are not working quickly  
but they are working

There is a significant opposition  
to Putin within Russia

Putin will have to allow  
his soldiers leave to go home  
and when they go home  
they will tell the truth

Right now  
everyone is waiting for a breakout  
by one side or the other  
I think that is going  
to take months

Putin wants to use Chemical and Biological  
weapons of mass destruction  
to gain a high Ukrainian  
body count

But that is going to bring  
a response of the USA  
and NATO

bringing in drones  
and targeting the command  
and control officers

Then the ineffectiveness of the  
Russian boots on the ground is  
going to degenerate into  
chaos

I cannot see this war ending  
in 2022 unless Putin is assassinated

The Zionists are good  
at that kind of thing

But a \$100 million dollar bounty  
on Putin would bring teams of  
mercenaries

and mercenaries  
would bring their own drones

And there are the oligarchs  
start selling their assets  
and confiscating more

Begin killing  
their families  
as Russia has been doing  
all over Ukraine

Put bounties on Putin's daughters

One thing more  
the nature of war has now changed

The USA and NATO  
and other countries  
can see that the future of war  
are drones  
and DARPA dogs  
and swarms of lethal  
mosquitos

Swarms of drones  
of every kind  
showered on an Army

is what is coming

And something that  
has not been talked about  
hacking of computers  
to the max

A lot will be learned  
by this war

But the best weapon  
is going to be green energy

and the best green energy  
will be free energy that we already  
have the technology for

The problem is what do you do with  
global fossil fuel unemployment  
bankrupt fossil fuels  
corporations

Right now we have another  
Hitler

Another Rabid Murderous Dog  
named Putin

Openly exterminating  
Ukrainian civilians

This has the last such war

RUSSIA USES HYPERSONIC MILLILES IN UKRAINE

Hypersonic missiles

travel 5 to 10 times  
the speed of sound  
depending on which article  
you read

They can be effective  
1,200 miles away  
so they can be fired from Russia  
into Ukraine

So what actually  
What I see is Putin is running  
out of cheap missiles  
so he has to keep up the  
barrage with the  
top drawer  
missiles

The main issue  
is that Putin is presently stalled  
with boots on the ground  
so he kills civilians  
in their apartments

But civilians are not the  
ones killing his  
boots on the  
ground

So while we wait for Putin  
to find a way  
to make his boots on the ground  
move forward  
and engage the Ukrainian  
army and militia

Dr John WorldPeace JD complete poems 2021 June

and volunteer  
patriots  
he murders civilians

I started out calling Putin  
a rabid murderous dog  
and I think the term still  
applies better  
than any other

Targeting civilians is  
against the UN terms  
of engagement

But who cares right  
much less who  
can actually  
stop him

THE ZIONIST – WHERE ARE THEY

Now the Zionists  
    have their annual  
        Holocaust  
            poor pitiful us  
                memorials  
            where 6 million  
Jews were murdered  
    by the Nazis  
        over 6 years  
80 years ago

Now we have a war  
    where the Russians  
        are not bothering with  
            concentration camps  
but are just targeting  
    Ukrainians  
        out in the open  
    ~~ they could care less  
about burning the bodies

Where are the Zionist  
    protesting this mass murdering  
        by Russian

Russia has forced  
    3.5 million Ukrainian  
        refugees to flee  
    to neighboring countries  
and has displaced another 6.5 million  
    within Ukraine

And hey,  
    they did this all in 4 weeks  
        and the numbers are growing  
            daily

So where are the Zionists  
when we need them  
to stop the ongoing  
Ukrainian Holocaust

Will the Zionist attend  
the Ukrainians Holocaust  
when Putin is finally  
hanged upside  
down on what is left of  
Ukrainian TV

Are there any Zionists  
in Ukraine fighting the  
Russian Holocaust

Well I guess there is the other  
issue for the Zionists  
1) Their postage stamp  
apathetic nation with regards to  
the Palestinians  
2) and the 53 80 year old  
Palestinian refugee camps  
all over the  
Middle East

3) And there is the Gaza concentration camp  
for millions more Palestinians

4) All due to the  
ethnic cleansing of  
Palestinians  
from Palestine  
so the Zionist  
can keep building homes  
for Israelis only  
until there is no more  
Palestinians  
in Palestine

BORIS ROMANCHENKO, 96, HOLOCAUST SURVIVOR

Germany's Buchenwald concentration camp memorial said Friday that Boris Romanchenko -- a Holocaust survivor who was 96 years old -- has been killed in the Ukrainian city of Kharkiv.

UKRAINIAN ORPHANS IN POLAND –  
COLLATERAL DAMAGE

We do not hear much in the news about  
all the new made orphans  
from Ukraine who  
survived the killing fields  
but whose parents  
didn't

Children whose childhood  
was terminated by Russians

Fortunately  
there are many  
caretakers in Poland  
and I guess there are some  
Americans who have gone to  
help with these unfortunate  
little people

I would think that the Evangelical  
and Fundamentalist and  
Baptist Christians  
might have filled those ranks  
of caretakers  
or maybe simply  
gather up a child or two  
and brought them home.

No I haven't heard much about this

Putins bombs  
reversed their happy children lives  
what a gob of spit he is

Everyday,  
more dead parents

more orphans

collateral damage  
from 21<sup>st</sup> century wars  
same same as all wars

The least we could accomplish  
is the brutal death  
of Putins two  
daughters

And if we could catch them alive  
give them to the mercenaries  
who are helping  
the Ukrainians  
kill Russians

When this war is over  
we could ship what is left  
of them home

or just through  
them in a shallow  
slit trench after  
they are raped to death  
and cover  
these daughters  
along with the rest of the shit

Collateral damage of war

~~~ ~~~

Oh yes and there are those  
new born babies  
of Ukrainians surrogate mothers  
stuck in Ukraine

Do these parents  
egg and sperm donors  
feel any connection  
to their children

Who knows

nobody reporting on this

UKRANINE CELEBRITIES ARE DYING IN THE

An award-winning female actor.

A biathlete.

An actor who posted glamorous selfies on Instagram

These are some of the Ukrainian celebrities killed

Their deaths add an extra dimension

And then there was that interview

I thought Selenzsky

## PRESIDENT OF THE UKRAINE SPEAKS

The Ukrainian Army estimates that 14,000 have died; the Pentagon says the figure is probably about half that. But there is broad agreement among independent observers that Russia has suffered heavy losses that the Kremlin is hiding from the public.

“There are already so many Russian losses as a result of this invasion. This is the price of war. In a little more than three weeks. The war must end.”

“Just imagine, 14,000 corpses and tens of thousands of wounded and maimed in a stadium in Moscow,” Mr. Zelensky said. “There are already so many Russian losses as a result of this invasion. This is the price of war. In a little more than three weeks. The war must end.”

“I want everyone to hear me now, especially in Moscow,” he said. “It’s time to meet, time to talk. It is time to restore territorial integrity and justice for Ukraine. Otherwise, Russia’s losses will be so huge that several generations will not be enough to rebound.”

MARIUPOL MARCH 22

Putin continues to  
bomb Mariupol into oblivion  
same tactic as in  
Aleppo Syria  
and  
Grozny, Chechnya

The city is down to about  
100,000 from 430,000

Electricity, water and food supplies  
have been cut off  
as well as communication  
with the outside world.

It is hard to imagine  
at this point why anyone  
would still be  
trying to survive  
in the city

As to those freedom fighters  
defending the city  
the more rubble  
the more  
places to hide

The whole world is watching  
as this city is simply being leveled  
It is hard to imagine  
Putin winning

The numbers are 7,000 to 15,000  
dead Russian and another  
20,000 wounded

Russia began with 190,000 soldiers  
so 10% are dead or out  
of action  
all within a month

"According to the Russian Defense Ministry, during the special  
operation in Ukraine, the Russian Armed Forces lost 9861  
people killed and 16153 wounded."

These numbers were taken down after 21 hours  
and not replaced.

Komsomolskaya Pravda who published  
the numbers said these numbers  
had been hacked  
The numbers were close to the  
U S Pentagon numbers

In this respect  
Mariupol is nothing like  
Aleppo or Grozny

You cannot run a war  
losing 25,000  
soldiers a month  
not to mention all the hardware

At this point the Ukrainians  
seem to have a workable  
solution to wiping out  
Putin Army

It seems that all the cities  
and towns are engaged  
in block to block  
fighting

I see no reason  
that NATO and the USA

are not going to keep  
supplying  
the Ukrainians with  
basic rifles and tank and aircraft  
missiles

No matter was the cost  
it will not be close  
to the cost of WWII

The Russians have shown  
that their Army is not  
what it was touted to be

And as in all wars  
there are many lessons  
being learned about  
how world war  
has evolved over the last  
80 years

I cannot imagine  
it the USA entered the war  
in Ukraine that they  
would be so  
disorganized and  
ineffective

The Russians pushed  
the Germans all the way back  
to Germany but the  
casualties were  
in the 10s of millions

It was just numbers  
meaning they had enough  
men to not be  
totally concerned about

the dead and wounded

The Russians

same same with the Americans  
lost in Afghanistan  
and in regards to the Russians  
it looks like Ukraine  
is going to be worse  
It seems every night  
the Ukrainians  
just continue the street  
fighting from  
the day before  
as well as sending out lesser  
forces with a solid plan to  
destroy equipment  
during the night

It is horrifying that  
we are seeing another  
bloody war in Europe

There are indications that  
some Russian troops don't have  
proper cold weather gear  
and are suffering from frostbite.

## WHAT IS GOING ON IN CHERNOBYL?

Russian military forces destroyed  
a laboratory that is responsible  
for improving management of  
radioactive waste at the Chernobyl  
nuclear power plant

The laboratory contained “highly active samples”  
that are “now in the hands of the enemy,”  
the Ukrainian state agency  
for the Chernobyl exclusion zone  
said in a statement Tuesday.

This radiation issue  
is not something  
the Russians were dealing  
with in Aleppo or  
Checknya  
much less Afghanistan

It seems that  
the Russians are willing  
to let Chernobyl  
get out of  
control  
and have a scorched  
earth reality  
that could last  
1,000s of years

It is insane

What Putin has done to date  
is horrifying and  
unimaginable  
but he is going to  
potentially add to those horrors

gas and chemical weapons  
and allow a worse  
nuclear energy diaster

The question continues to come up  
in my mind

The whole world knows  
what is going on is a war crime  
but there is nothing of  
significance coming out of the  
United Nations  
which was set up  
specifically to end  
another Hitler wannabe  
go on a psychopathic  
killing spree

IF RUSSIA CANT TAKE CONTROL OF A TOWN  
HE JUST TRIES TO BOMB IT INTO OBLIVION

Ukrainian towns and cities  
that are withstanding Russia's  
attempts to conquer them  
are being hammered by artillery fire in response

In the far east of the country  
close to two breakaway pro-Russian statelets  
the city of Rubizhne is under constant shelling  
regional head Serhii Haidai said in a social media post.

"The enemy was unable to 'blitzkrieg' Rubizhne, so they are  
destroying the town, targeting hospitals, schools, and residential  
buildings," Haidai said.

Emergency services and ambulances  
are often unable to reach the wounded  
due to the risk of coming under fire

In the end  
at some point  
the city is going to have  
to be taken  
block by block  
or Ukrainian snipers  
are going to keep killing  
the invading  
boots on the ground  
until they all go back  
to Russia  
in a body bag  
or on their own

Russia does not have  
the money or  
the soldiers  
to win a total victory  
in Ukraine

The Ukrainians seem to be honoring  
their promise  
to fight to the last  
man and woman

That would mean  
Russia cant win  
They have lost 10 percent  
of their invading force  
of 190,000  
in the first month of  
the war

Putin is really insane  
It cannot be true  
that the Russians  
will not soon  
assassinate him  
blame it on the USA

let Alexi Navalny  
out of jail  
and spent the next  
100 years  
trying to return to normal

West Europe  
is going to have a long  
memory of this war

UK TO PROVIDE \$2.64 MILLION IN  
FOOD SUPPLIES TO UKRAINE

To fight a war

you need all kinds of things  
some are for killing  
some for defense  
gasoline and diesel fuel

Some of these go to the warriors  
some must be allocated for  
the civilian population  
that are trapped  
on the battlefield

When the battlefield  
is in the heart of a city  
the civilians are trapped  
on that battlefield

War gets real stupid  
in urban areas  
because there has to be  
many rules of engagement  
In all wars  
the civilian population  
cannot be targeted  
but when you are dealing with  
a rabid murderous dog

He has no problem  
targeting civilians  
with artillery  
rockets and  
missiles

This is a war crime  
and there needs to be

    in a modern city  
you need many eyes

        the atrocities  
    that are war crimes

    from the civilians in charge

UKRAINE PRESIDENT ZELENSKY REQUESTS  
OIL PRODUCING COUNTRIES TO  
INCREASE PRODUCTION

Ukrainian President Volodymyr Zelensky  
asked energy producing countries at the  
Doha Forum in Qatar on Saturday  
to increase oil and gas output to  
avoid Russia's global "blackmail."

"The future of Europe rests on your efforts  
I ask you to increase the output of energy to  
ensure that everyone in Russia  
understands that you cannot use energy  
as a weapon,"

Zelensky told the political forum virtually

In this World War III (see next section about the  
definition of a World War.)

it is critical that all nations take sides  
or try to remain neutral

But nations who are not a party  
to the conflict  
are still affected by the conflict  
because the world human society is  
so integrated that no nation  
is totally unaffected

Yet there must be agreement  
agreements about things that  
are not subject to discussion  
like murder  
especially the killing of  
civilians  
Deprivation of food water  
shelter medical care

safe passage out of the war zone

Invading a country without provocation  
the use of chemical and biological  
weapons of mass destruction  
targeting children

At the same time  
supporting a warring nation  
even without a formal agreement  
should subject that country  
to sanctions for  
promoting of war

There is really no way to remain neutral  
when two countries or more  
are making war

In a world war  
all nations should be  
required to come before  
the United Nations  
state their position on the war  
and they must state their position  
for supporting or not supporting  
one of the parties  
to the conflict

Selling oil by any country  
is nothing but a corporate decision  
The progression of the war  
will affect the price of oil  
and a nation depends  
on a certain price of oil  
to pay their bills  
in the world economy

All of this is very complicated

All leaders of all nations are charged  
by their citizens to act  
in the best interest of  
their citizens

There are no easy answers  
and many of those answers  
will have a long  
shadow into the future

WORLD WAR 111 (THREE)

Definitions are often tricky  
At the least we much have war  
before we have World War

Normally war (outside of business) refers to  
human to human attempts  
to kill each other  
and you have to have war  
before you have world war

So on February 24, 2022  
Russia entered Ukraine  
and began killing  
Ukrainians

So we had on that day  
a war between Russia and Ukraine  
The USA immediately took  
sides  
but it did not declare war  
on Russian  
it did not  
send any boots  
on the ground  
to fight in Ukraine

But because the USA  
rebuked Russia  
and promised support  
to Ukraine  
there was a third  
participant in the conflict

Was the USA at war with Russia  
yes vicariously by its support  
for Ukraine to kill Russians

arms were almost immediately  
sent

And soon to follow  
the USA conferred with NATO  
who committed to  
support Ukraine  
So the war participants  
expanded by adding  
participants

It is not required  
to commit soldiers  
into battle  
to be at war  
with Russia

There was a commitment  
to Ukraine  
to help them kill  
Russians and expell  
Russians from Ukraine's  
sovereign territory

Therefore, World War III began

Every nation in the world  
does not have to support  
a war between nations  
for a war to become  
a world war

More nations  
have joined sides  
and so World War III  
has become more  
inclusive of more  
nations of the world

Dr John WorldPeace JD complete poems 2021 June

So World War III began on  
February 24, 2022

Now the question is  
how expansive will it become  
worst case  
someone uses  
a nuclear bomb or  
missile

and increases the intensity  
of the war

If a second nation  
retaliates with a nuclear  
bomb or missile

Then the world takes  
a significant step  
toward MAD  
Mutually Assured Destruction

So right now  
we have this evolving  
definition of World War III  
of how World War III  
is defined moment to moment  
until peace  
ends the killing of human  
beings  
in World War III

RAPE

We do not hear a lot  
about rape on the news  
about the Russian war  
in Ukraine

Just a word here and there  
in the written events  
of the war  
not the video

Just another class  
of the devastating  
heinous wrongs  
of war

The lives of children  
permanently scarred now  
traveling in the night  
on overcrowded  
trains  
out of harms way  
with their mothers  
and their favorite toy

The men who stayed behind  
constantly worried about  
their wives and children  
the moment to moment pain

Putin in Russia  
life has not really changed  
more intense work  
but basically just the daily  
life of a president

He has murdered and maimed before  
in Aleppo and Grozny

He has blasted buildings  
to dust and live to hell  
men or women  
boys or girls  
children

who has brutalized  
in ways that show  
no physical wounds

Sure let the soldiers  
rape the Ukrainian women  
soldiers need some  
relief from the  
tension of war

All the Ukrainians  
have been discounted and  
dehumanized  
what is a little  
rape in the mix

KYIV'S HISTORICAL, IRREPLACEABLE TREASURES  
ARE AT RISK

When Vladimir Putin's forces last approached  
a capital city  
they leveled it.

As the invasion of Ukraine enters  
its second month  
Russian forces are digging in  
on the outskirts of Kyiv  
and there are fears they could be  
preparing for the same  
indiscriminate scorched-earth tactic  
used in the Chechen  
capital of Grozny in 1999

Kyiv is one of Ukraine's many jewels  
a city more than 1,500 years old  
a once-bustling capital  
of 2.8 million people  
and home to irreplaceable  
international treasures  
including architectural landmarks  
and cultural monuments.

St. Sophia Cathedral

St. Michael's Golden-Domed Cathedral and Monastery

The Monastery of the Caves

Presidential Palace

When you have discounted  
your adversary in war enough  
to kill them indiscriminately  
like contemptible

rats

What difference their culture  
and irreplaceable  
monuments

Even if you are of the same religion  
their churches have no value

You cannot think positive  
about any building in a city  
where a sniper  
may kill you  
or one of your band of brothers

Best to level that place  
to save your life  
and to further  
send a message of how serious  
the dogs of war

All over the world  
where wars have been fought  
there are destroyed  
beautiful things  
created by just another  
category of human beings

All the lives that have stored memories  
of uncountable memories  
of those who  
came to visit  
came to see  
came to celebrate  
came to remember

Putin has smart bombs  
he can level everything

around these monuments  
but to do so  
he would  
have to answer  
the question  
if you saved the building  
as you kill the owners  
  
are you crazy

ZELENSKY SAYS UKRAINE HAS  
"DEALT POWEREUL BLOWS"  
TO RUSSIAN INVADERS

"Over the past week

significant losses

I am grateful to our defenders

but are connected  
to their spiritual souls  
and are able to  
place the burden of  
their designated works  
into a proper perspective

A man who hates the  
sacrifices of human life  
that he must oversee  
because it is work he agreed to  
before he was born

No matter if human bodies

friend and foe  
pile up to heaven  
to rot back into  
the dust of the earth  
from which they came

Not a single soul is lost

WAGNER GROUP CONTRACTORS WERE INVOLVED  
IN ZELENSKY ASSASSINATION PLOT

“They wanted to assassinate the leadership of Ukraine:  
our president and prime minister

That was the goal and a couple of them  
were sent to Ukraine without any success”

Markian Lubkivskyi, an adviser to  
Ukraine's defense minister said.

“All these documents and the necessary proof  
will be presented to the International Court,”  
he said

The Wagner group first came to prominence  
during Russia's invasion of eastern Ukraine  
in 2014.

Since then, independent research  
and CNN investigations  
have found that the private military contractor  
has operated in Syria and  
multiple countries in Africa.

The group is thought to be connected to —  
and financed by —  
Yevgeny Prigozhin, an oligarch  
so close to the Kremlin  
that he is known as Putin's "chef."

Zelensky has repeatedly committed to  
staying in Ukraine to marshal the country's  
defense during the war  
now in its second month.

“The morale of the army is very high

our prime minister and parliament  
is here.

This is very important to  
support people on the ground  
to support the Ukrainian army  
and this is a very good signal  
to the international community,”

As above

a war like this war in Ukraine  
moves forward based on  
what is happening  
day to day

Putin is attempting to assassinate  
Zelensky and therefore Putin  
has set the rules on  
murdering heads of state

Consequently,  
Ukraine’s parliament  
should put out a bounty  
on Putin.

Say \$100 million

That is huge amount of money  
and would certainly draw  
soldiers of fortune  
together to make it happen

I feel certain  
this would make  
the rabid murderous dog Putin  
as crazy as a outhouse rat.

BIDEN SAY IN POLAND THAT THE STAKES OF  
UKRAINE WAR GO WELL BEYOND  
ITS BORDER

President Joe Biden told American troops  
on a deterrence mission  
near the border with Ukraine  
that the consequences of  
the raging conflict 50 miles away  
could extend around the world.

"What's at stake (is) not  
just what we're doing here in Ukraine  
to help the Ukrainian people  
and keep the massacre from continuing  
but what's at stake is  
what are your kids and  
grandkids going to look like  
in terms of their freedom?"

Biden told US service members from  
the 82nd Airborne Division  
who have been deployed  
along NATO's eastern edge  
as a visible deterrent to Russian  
President Vladimir Putin

"What you're engaged in is much more than  
whether or not we can alleviate the  
suffering of Ukraine"  
"We're in a new phase, your generation.  
We're at an inflection point."

It was a sweeping view of the war  
underway in Ukraine  
which has jolted the west  
into unprecedented cooperation  
while sending millions  
fleeing their homes

mostly into Poland

This Russia versus Ukraine war  
will have a centuries reach into the future  
It is the bridge to the future  
of the world human society  
and the first foundation block  
of ending war  
which will result as a result  
of global economic  
interdependence

If the penalties  
imposed on Putin  
are great enough  
the only country  
that will be left in the mix  
will be China

Certainly if Putin loses big  
in Ukraine due to the world  
coming together  
to thwart  
and stop Putin

then China will know full well  
the consequences of his  
ripping the democracy  
out of Taiwan

Xi will have to understand  
that he has reached the end  
of his accumulating  
more territory for China

and imposing Chinese  
culture on Tibetans, Nepalese, and  
Muslims

In addition, as the world gets used to working  
together against Putin  
they will have a template  
for cooperation in  
the greater challenge to  
stop the use of fossil fuels  
and quit destroying  
the Garden of Eden

300 people were killed in Russian airstrike on Mariupol theater,  
Ukrainian authorities say

From CNN's Andrew Carey, Olga Voitovych and Celine  
Alkhaldi

About 300 people are believed to have died in a [Russian attack on a theater](#) in Mariupol nine days ago, the city council has said, citing eyewitness reports.

The March 16 bombing of Mariupol's Drama Theater, where Ukrainian officials say up to 1,300 had sought refuge, was among the most brazen of Russia's attacks on civilians since its [invasion](#) began in late February.

Painted on the ground outside the building — in giant Russian letters — was the word "CHILDREN." The message — large enough to be viewed from the sky — was scrawled near a public square. Russia has denied its forces hit the theater, claiming instead that the Azov battalion, the Ukrainian army's main presence in Mariupol, blew it up.

Announcing the update on its Telegram channel, the city council said: "Unfortunately, we start the day with bad news. There is information, based on eyewitnesses, that about 300 people died in the Drama Theater in Mariupol as a result of a bombing by Russian aircraft.

"We still do not want to believe in this horror. We still want to believe that everyone managed to escape. But the words of those who were inside the building at the time of this terrorist act say otherwise."

UN says it has "increasing information" corroborating  
existence of mass graves in Mariupol

From CNN's Niamh Kennedy

The United Nations has received “increasing information” corroborating the existence of mass graves in the besieged Ukrainian city of Mariupol, and it has been able to get “satellite information” on one such grave, said Matilda Bogner, head of the UN Human Rights Monitoring Mission in Ukraine.

"We estimate that one of those mass graves holds about 200 people," she said at a news briefing on Friday.

**She added one caveat:** It is not guaranteed that all of the people buried in the graves “are civilian casualties, because when we document civilian casualties, we do not include both military casualties and we do not include people who die for other reasons apart from direct hostilities.”

Bogner made this note as she painted a stark picture of a city where “the ordinary rate of mortality has increased” due to a lack of basic utilities such as food, electricity, and water.

“People are dying in the city who are not just civilian casualties,” she stressed.

Half of all Ukrainian kids have been displaced since the Russian invasion began, UNICEF says

From CNN's Mohammed Tawfeeq and Sana Noor Haq

One in every two Ukrainian children has been displaced since Russia began its invasion on Feb. 24, according to a statement from the UN Children's Fund on Thursday.

UNICEF's statement added that 4.3 million children have been displaced, which represents more than half of Ukraine's estimated 7.5 million child population.

This figure includes over 1.8 million children who have crossed into neighboring countries as refugees, and 2.5 million children who are also internally displaced in Ukraine, the statement said.

The statement added that 78 children have been killed and 105 children have been injured in Ukraine since the invasion began over a month ago, according to the Office of the UN High Commissioner for Human Rights (OHCHR).

However, these figures represent those that the UN has managed to confirm, and the true toll is expected to be higher, the statement said.

"It's mind-boggling," UNICEF spokesperson James Elder [told CNN](#) earlier this week. "Since the start of the war a month ago, out of every boy and girl in the country, one out of two now has had to flee their homes.

"It's a situation we've not seen before, not in living memory, and it's almost impossible to deal with."

Elder said UNICEF is trying to get blankets, water purification tablets, generators, medical supplies and obstetric kits for mothers giving birth into the country.

"Unless the war stops, unless the indiscriminate attacks stop, we're going to see more children wrenched from their homes and the bombardments," he added.

## THE WAR PRAYER

by Mark Twain

It was a time of great and exalting excitement. The country was up in arms, the war was on, in every breast burned the holy fire of patriotism; the drums were beating, the bands playing, the toy pistols popping, the bunched firecrackers hissing and spluttering; on every hand and far down the receding and fading spread of roofs and balconies a fluttering wilderness of flags flashed in the sun; daily the young volunteers marched down the wide avenue gay and fine in their new uniforms, the proud fathers and mothers and sisters and sweethearts cheering them with voices choked with happy emotion as they swung by; nightly the packed mass meetings listened, panting, to patriot oratory with stirred the deepest deeps of their hearts, and which they interrupted at briefest intervals with cyclones of applause, the tears running down their cheeks the while; in the churches the pastors preached devotion to flag and country, and invoked the God of Battles beseeching His aid in our good cause in outpourings of fervid eloquence which moved every listener.

It was indeed a glad and gracious time, and the half dozen rash spirits that ventured to disapprove of the war and cast a doubt upon its righteousness straightway got such a stern and angry warning that for their personal safety's sake they quickly shrank out of sight and offended no more in that way.

Sunday morning came—next day the battalions would leave for the front; the church was filled; the volunteers were there, their young faces alight with martial dreams—visions of the stern advance, the gathering momentum, the rushing charge, the flashing sabers, the flight of the foe, the tumult, the enveloping smoke, the fierce pursuit, the surrender!

Then home from the war, bronzed heroes, welcomed, adored, submerged in golden seas of glory! With the volunteers sat their

dear ones, proud, happy, and envied by the neighbors and friends who had no sons and brothers to send forth to the field of honor, there to win for the flag, or, failing, die the noblest of noble deaths. The service proceeded; a war chapter from the Old Testament was read; the first prayer was said; it was followed by an organ burst that shook the building, and with one impulse the house rose, with glowing eyes and beating hearts, and poured out that tremendous invocation:

*God the all-terrible! Thou who ordainest,  
Thunder thy clarion and lightning thy sword!*

Then came the “long” prayer. None could remember the like of it for passionate pleading and moving and beautiful language. The burden of its supplication was, that an ever-merciful and benignant Father of us all would watch over our noble young soldiers, and aid, comfort, and encourage them in their patriotic work; bless them, shield them in the day of battle and the hour of peril, bear them in His mighty hand, make them strong and confident, invincible in the bloody onset; help them crush the foe, grant to them and to their flag and country imperishable honor and glory—

An aged stranger entered  
and moved with slow  
and noiseless step up the main aisle  
his eyes fixed upon the minister  
his long body clothed in a robe  
that reached to his feet  
his head bare  
his white hair descending  
in a frothy cataract to his shoulders  
his seamy face unnaturally pale  
pale even to ghastliness.  
With all eyes following him and wondering  
he made his silent way  
without pausing

he ascended to the preacher's side  
and stood there waiting

With shut lids the preacher  
unconscious of his presence  
continued his moving prayer  
and at last finished it with the words  
uttered in fervent appeal

“Bless our arms  
grant us the victory  
O Lord and God  
Father and Protector of our land and flag!”

The stranger touched his arm  
motioned him to step aside—  
which the startled minister did—  
and took his place.

During some moments he surveyed  
the spellbound audience with solemn eyes  
in which burned an uncanny light  
then in a deep voice he said:

“I come from the Throne—  
bearing a message from Almighty God!”

The words smote the house with a shock  
if the stranger perceived it he gave no attention

“He has heard the prayer of His servant your shepherd  
and will grant it if such be your desire  
after I, His messenger  
shall have explained to you its import—  
that is to say  
its full import  
For it is like unto many of the prayers of men  
in that it asks for more than

he who utters it is aware of—  
except he pause and think.

“God’s servant and yours has prayed his prayer  
Has he paused and taken thought?  
Is it one prayer?  
No, it is two—one uttered  
and the other not.  
Both have reached the ear of Him  
who heareth all supplications  
, the spoken and the unspoken.

Ponder this—keep it in mind  
If you would beseech a  
blessing upon yourself, beware!  
lest without intent you invoke a curse  
upon your neighbor at the same time

If you pray for the blessing of rain on your crop  
which needs it  
by that act you are possibly praying  
for a curse on some neighbor’s crop  
which may not need rain and can be injured by it.

“You have heard your servant’s prayer—  
the uttered part of it.  
I am commissioned by God  
to put into words the other part of it—  
that part which the pastor—  
and also you in your hearts—  
fervently prayed silently

And ignorantly and unthinkingly?  
God grant that it was so!  
You heard the words  
‘Grant us the victory, O Lord our God!’  
That is sufficient.

The whole of the uttered prayer is compact  
into those pregnant words.  
Elaborations were not necessary  
When you have prayed for victory  
you have prayed for many  
unmentioned results which follow victory—  
must follow it  
cannot help but follow it.

Upon the listening spirit of God  
fell also the unspoken part of the prayer  
He commandeth me to put it  
into words.

Listen!

“Lord our Father  
our young patriots  
idols of our hearts  
go forth into battle—  
be Thou near them!  
With them—in spirit—  
we also go forth from  
the sweet peace of  
our beloved firesides  
to smite the foe  
O Lord our God  
help us tear their soldiers  
to bloody shreds  
with our shells;  
help us to cover their smiling fields  
with the pale forms of their patriot dead;  
help us to drown the thunder of the guns  
with the shrieks of their wounded  
writhing in pain  
help us to lay waste  
  
their humble homes  
with a hurricane of fire

help us to wring the hearts  
of their unoffending widows  
with unavailing grief  
help us to turn them out  
roofless with their little children  
to wander unfriended in  
the wastes of their desolated land  
in rags and hunger and thirst  
sports of the sun flames in summer  
and the icy winds of winter  
broken in spirit  
worn with travail  
imploing thee for the refuge  
of the grave and denied it—

For our sakes who adore Thee, Lord  
blast their hopes  
blight their lives  
protract their bitter pilgrimage  
make heavy their steps  
water their way with their tears  
stain the white snow with the blood  
of their wounded feet!

We ask it  
in the spirit of love  
of Him Who is the Source of Love  
and Who is the ever-faithful refuge  
and friend of all that are sore  
beset and seek His aid  
with humble and contrite hearts. Amen.

(After a pause.)

“Ye have prayed it  
if ye still desire it, speak!  
The messenger of the Most High waits.”

## THE WORLDPEACE BEACON

I have a dream that all the World abides in peace.

I have a dream that I and my colors travel the world path  
creating beacons of WorldPeace.

I have a dream that all the angels of the heavens and the God  
of all the universe travel by my side as I carry the light of love  
and love of peace to each and every mountain, valley, sea and  
plain, to each and all that travel the blessed earth.

One simple man WorldPeace; One simple message WorldPeace

I have a dream that with each passing, with each creating, a  
beacon of love and understanding is forever established,  
forever ignited, forever to radiate Peace and Light.

One simple man WorldPeace; one simple message WorldPeace.

I have a dream that all that is pure in love and light comes  
continuously to touch each tiny beacon, to add Light to light, to  
make the earth a beacon in the infinite heavens that radiates  
into the hearts and minds of all of humanity; Peace and Light.

I have a dream that all who come, that all who are called to  
each tiny beacon, receive the infinite gifts of God; wellness and  
love, peace and understanding.

I have a dream that all who come, receive; each according to his  
need, each according to her love, so that as they travel one by  
one their separate paths each carries the love and peace  
unconditionally given to each and every  
vibration of the earth; until that never ending day arrives when  
each and every one, when all in all, forever flows, in love's most  
precious gift WorldPeace. ~~ John WorldPeace - April 6, 1988

Who is Dr. John WorldPeace JD ?

When I was 8 years old, I became aware that all human beings die. I became aware that these fragile human bodies are not immortal and eternal but are mortal and finite. I also became aware that at the end of each life, one's consciousness exits this earth dreamscape with nothing but one's experiences. Into this reality, we all come without material possessions, other than our human bodies, and from this reality, we all leave with only the script of our lives which we wrote. That is our testament and upon that testament, we should contemplate, not just when we die but often as we experience this life.

My primary purpose in this life is to challenge the predatory nature of homo sapiens globally. My focus is on bringing forward a more sane and just world human society and thereby increase the level of peace in the world human society.

It is my intention to live a minimalist life to prove that the accumulation of wealth is not necessary for a happy and successful life. In fact, a life of accumulation and attachment to things creates confusion and chaos in one's life as well as the world human society. The only power I will have in this life is the power of the truth of the various aspects of my Advocacy for Peace and WorldPeace.

My concept of family discounts biology. All men are my father, brother, son. All women are my mother, sister, daughter. Children are of my body, not my soul.

I do not belong to any organization. I am not a religionist but a spiritualist. The difference is that religion is a licensed corporation. Spirituality is a direct relationship with God. It greatly irritates me for preachers to speak to the congregation as "church". I am not a church. I am a human being.

I changed my name to John WorldPeace (one word) on April 1, 1988, Good Friday and April Fool's day. I changed my name to WorldPeace as evidence of my commitment to increasing the level of peace in the world human society.

I have been self-employed 95% of my working career in insurance, accounting, tax, law, and web design. I will never retire. I am also an artist and writer and poet.

My funds come from my web design business, art, and books. All incoming monies go to promoting my businesses which collaterally promotes WorldPeace in one way or another. My ego is firmly anchored in my WorldPeace Advocacy and not in any way with the egotistic accumulation and management of physical assets or money in the bank as an objective in my life or measure of my success or worth. I am 100% committed to increasing the peace in the world human society and not committed to the accumulation of assets except incidentally, as above, to promote WorldPeace.

I am primarily an Advocate for Peace and WorldPeace, but I am not a pacifist. For the most part, everything I have done in this life has been focused on increasing the level of peace in the world human society. My art, business, writings, education, if you take the time to engage with what I have communicated in words on my flagship website ([johnworldpeace.com](http://johnworldpeace.com)) and deeds, will show a focus on constantly increasing the level of peace in the world human society. For me, it is absolutely critical that my life reflects my philosophy and my cosmology.

How can we increase the level of peace in the world human society if we do not include everyone (all races, all nationalities, all religions, all genders) in our vision of peace? This is the only question that matters to me.
